§ 92.1 Purpose.

This part implements the Base Closure Community Redevelopment and Homeless Assistance Act (Pub. L. 103-421, approved October 25, 1994). It describes the roles and responsibilities of the Department of Defense (DoD), the Department of Housing and Urban Development (HUD), Local redevelopment Authorities (LRAs), and representatives of the homeless in planning and implementing the reuse of domestic military installations that are approved for closure or realignment. Specifically, this part describes the guidance DoD and HUD provide to the LRA, the planning documents the LRA develops and submits to DoD and HUD in planning the reuse of these installations, and the standards of review that HUD observes when reviewing the documents submitted by the LRA. Pub. L. 103-421 authorizes HUD to determine whether the plan for the reuse of the installation proposed by LRA balances the community development, economic redevelopment

and other development needs of the communities in the vicinity of the installation with the needs of the homeless in those communities.

§ 92.5 Definitions.

As used in this part:
CERCLA. Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. 9601 *et seq.*)

(iii) Transitional housing with appropriate supportive services to help those homeless individuals and families that are not prepared to make the transition to independent living;

(iv) Housing with or without supportive services that has no established limitation on the amount of time of residence to help meet long-term needs of homeless individuals and families; and

(v) Any other activity that clearly meets an identified need of the homeless and fills a gap in the continuum of care.

(2) Supportive services enable homeless persons and families to move through the continuum of care toward independent living. These services include, but are not limited to case management, housing counseling, job training and placement, primary health care, mental health services, substance abuse treatment, child care, transportation, emergency food and clothing, family violence services, education services, moving services, assistance in obtaining entitlements, and referral to veterans services and legal services.
