SUMMARY: In the Federal Register of
 April 2, 1996 (61 FR 14557), the
 Consumer Product Safety Commission
 published a notice in accordance with
 provisions of the Paperwork Reduction
 Act of 1995 (44 U.S.C. Chapter 35) to

 By publication of this notice, the
 Commission announces that it has
 submitted to the Office of Management
 and Budget a request for reinstatement
 of approval of that collection of
 information without change through

The Safety Standard for Cigarette
 Lighters requires disposable and novelty
 lighters to be manufactured with a
 mechanism to resist operation by
 children younger than five years of age.
 Certification regulations implementing
 the standard require manufacturers and
 importers to submit to the Commission
 a description of each model of lighter,
 results of prototype qualification tests
 for compliance with the standard, and a
 physical specimen of the lighter before
 the introduction of each model of lighter
 in commerce.

The Commission uses the records of
 testing and other information required
 by the certification regulations to
 determine that disposable and novelty
 lighters have been tested and certified
 for compliance with the standard by the
 manufacturer or importer. The
 Commission also uses this information
 to obtain corrective actions if disposable
 or novelty lighters fail to comply with
 the standard in a manner which creates
 a substantial risk of injury to the public.

**Submission for OMB Review;
Comment Request—Requirements for
Baby-Bouncers, Walker-Jumpers, and
Baby-Walkers**

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: In the Federal Register of February 15, 1996 (61 FR 5987), the Consumer Product Safety Commission published a notice in accordance with provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) to announce the agency's intention to seek extension of approval of the collection of information in the requirements for baby-bouncers, walker-jumpers, and baby-walkers in regulations codified at 16 CFR 1500.18(a)(6) and 1500.86(a)(4). By publication of this notice, the Commission announces that it has submitted to the Office of Management and Budget a request for reinstatement of approval of that collection of information without change through December 31, 1999.

The regulation codified at 16 CFR 1500.18(a)(6) establishes safety requirements for baby-bouncers, walker-jumpers, and baby-walkers to reduce unreasonable risks of injury to children associated with those products. Those risks of injury include amputations, crushing, lacerations, fractures, hematomas, bruises and other injuries to children's fingers, toes, and other parts

of their bodies. The regulation codified at 16 CFR 1500.86(a)(4) requires manufacturers and importers of baby-bouncers, walker-jumpers, and baby-walkers to maintain records for three years containing information about testing, inspections, sales and distribution of these products.

The records of testing and other information required by the regulations allow the Commission to determine if baby-bouncers, walker-jumpers, and baby-walkers comply with the requirements of the regulation codified at 16 CFR 1500.18(a)(6). If the Commission determines that products fail to comply with the regulations, the records required by 16 CFR 1500.86(a)(4) enable the firm and the Commission to: (i) identify specific models of products which fail to comply with applicable requirements; and (ii) notify distributors and retailers in the event those products are subject to recall.

Standards for Children's Sleepwear**

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: In the Federal Register of January 19, 1996 (61 FR 1363), the Consumer Product Safety Commission published a notice in accordance with provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) to announce the agency's intention to seek reinstatement of approval of collections of information in the flammability standards for children's sleepwear and implementing regulations. No comments were received in response to that notice. By publication of this notice, the Commission announces that it has submitted to the Office of Management and Budget a request for reinstatement of approval of those collections of information without change through December 31, 1999.
