

The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to Section 6(b) of the Act, the identities of the parties are ITT A/CD, Ft. Wayne, IN; Honeywell Technology Center, Minneapolis, MN; David Sarnoff Research Center, Princeton, NJ; and MCS, Inc., Boston, MA.

ITT A/CD and the above identified parties entered into a collaborative research agreement, in June 1996, to perform a Technology Development project under DARPA's Technology Reinvestment Program (TRP) for the purpose of developing a handheld terminal capable of transmitting and receiving multimedia communications. The terminal will assist civilian consumers and military commanders who need mobile access to information.
