These two steps are reflected in the tariff sheets listed on Exhibit A to the filing.

**Pacific Gas Transmission Company;
Notice of Motion for Limited Waiver of
Tariff Provisions**

October 29, 1996.

Take notice that on October 25, 1996, Pacific Gas Transmission Company (PGT) filed motion for limited waiver of provisions of its FERC Gas Tariff which provide for crediting of revenues received by shippers releasing capacity on PGT's system through a credit on the releasing shipper's monthly invoice.

PGT asserts that the purpose of this filing is to seek a limited waiver of Section 28.9 of its FERC Gas Tariff, First Revised Volume No. 1-A, which requires PGT to credit revenues received for released capacity to the releasing shipper through a credit on the releasing shipper's monthly invoice. PGT seeks this waiver in accordance with the Commission's October 21, 1996 Order in Docket No. CP96-544-000, in which Pacific Interstate Transmission Company (PITCO) was granted authority to receive revenue credits for released capacity on PGT in the form of a check directly to PITCO. The Commission directed PGT to request a waiver of its relevant tariff provisions to allow such a crediting procedure.

PGT states that a copy of this filing has been served upon its jurisdictional customers and upon interested state regulatory agencies.

Any person desiring to be heard or protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules of Practice and Procedure. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
