### DEPARTMENT OF VETERANS AFFAIRS

#### Privacy Act of 1974; Report of Amended Matching Program

**AGENCY:** Department of Veterans Affairs.  
**ACTION:** Notice.

Notice is hereby given that the Department of Veterans Affairs (VA) intends to conduct a recurring computer matching program matching Social Security Administration (SSA) income tax with VA pension, compensation and parents' dependency and indemnity compensation records.

The goal of this match is to compare income and employment status as reported to VA with income tax records maintained by SSA and adjust or terminate benefits, if appropriate. The match will include records of current VA beneficiaries as well as records of former beneficiaries.

The Department of Veterans Affairs (VA) plans to match records of veterans and surviving spouses and children who receive pension and parents who receive dependency and indemnity compensation from VA with income tax information maintained by SSA. VA also plans to match records of veterans who are receiving disability compensation at the 100 percent rate because the veteran's disabilities keep him or her from engaging in gainful employment.

VA will use this information to verify income and employment information in its master records and adjust VA benefit payments as prescribed by law. Otherwise information about a VA beneficiary's receipt of wages as well as employment status is obtained by reporting by the beneficiary. The proposed matching program will enable VA to ensure accurate reporting of income and employment status.

**RECORDS TO BE MATCHED:** The VA records involved in the match are the
