

Conclusion

After careful consideration of the new facts obtained on reconsideration, it is concluded that increased imports of articles like or directly competitive with electronic components produced by the subject firm contributed importantly to the declines in sales and to the total or partial separation of workers of the subject firm. In accordance with the provisions of the Trade Act of 1974, I make the following revised determination:

All workers of Dale Electronics, Inc., Bradford Electronics, Bradford, Pennsylvania, who became totally or partially separated from employment on or after June 6, 1995, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed in Washington, DC, this 28th day of October, 1996.

Russell T. Kile,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
