

surveys necessary to furnish current data on subjects covered by the major censuses authorized by Title 13, United States Code. This survey will provide continuing and timely national statistical data on selected service industries for the period between economic censuses. The next economic census is in 1997. This survey will yield 1996 and 1995 estimates for the aforementioned industries. The data collected in this survey will be within the general scope and nature of those inquiries covered in the economic censuses.

The Bureau of the Census needs reports only from a limited sample of service firms in the United States. The probability of a firm's selection is based on receipts or revenue size (estimated from payroll). The sample will provide, with measurable reliability, national level statistics on receipts of taxable firms and revenue of firms and organizations exempt from Federal income taxes. We will mail report forms to the firms covered by this survey and require their submission within thirty days after receipt.

This survey has been approved by the Office of Management and Budget (OMB) under OMB approval control number 0607-0422 in accordance with the Paperwork Reduction Act, Public Law 104-13. We will provide copies of the forms upon written request to the Director, Bureau of the Census, Washington, D.C. 20233.

Based upon the foregoing, I have directed that the Service Annual Survey be conducted for the purpose of collecting these data.

Dated: November 1, 1996.

Transportation Annual Survey

AGENCY: Bureau of the Census, Commerce.

ACTION: Notice of determination.

SUMMARY: In accordance with Title 13, United States Code, Sections 182, 224, and 225, I have determined that 1996 operating revenue and expenses are needed for the for-hire trucking, and public warehousing industries to provide a sound statistical basis for the formation of policy by various governmental agencies, and that these data also apply to a variety of public

and business needs. These data are not publicly available from nongovernment or other governmental sources.

FOR FURTHER INFORMATION CONTACT: Thomas E. Zabelsky, Chief, Current Services Branch, Services Division, on (301) 457-2766.

SUPPLEMENTARY INFORMATION: The Census Bureau is authorized to conduct surveys necessary to furnish current data on subjects covered by the major censuses authorized by Title 13, United States Code. This survey will provide continuing and timely national statistical data on trucking and warehousing services for the period between economic censuses. The next economic census is in 1997. This survey will yield 1996 and 1995 estimates for the aforementioned industries. The data collected in this survey will be within the general scope and nature of those inquiries covered in the economic censuses.
