

Members of affected public: We estimate that 3,000 housing managers in the state will be surveyed.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: Information will be collected from approximately 3,000 managers of multifamily rental developments in the State of Michigan. The 15 minute mail survey is planned to be conducted annually. The information being requested is information normally maintained by housing managers. The total annual burden for respondents is estimated at 750 hours.

Status of the proposed information collection: Pending OMB approval.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: October 23, 1996.

Michael A. Stegman,

Assistant Secretary, Office of Policy Development and Research.

Notice of Submission of Proposed Information Collection to OMB

Title of Proposal: Evaluation of the HUD Lead-Based Paint Hazard Reduction Grant Program.

Office: Lead Hazard Control.

OMB Approval Number: 2539-0004.

Description of the Need for the Information and its Proposed Use: Public and private organizations concerned with both environmental health and the provision of affordable housing need information on how to control lead-based paint hazards in housing in the most cost effective manner. Data from the evaluation study will be used by HUD and other Federal agencies to determine the cost and efficacy of various strategies for controlling lead-based paint hazards and reducing childhood lead exposure. Results will affect Federal regulations and guidelines required under law, and the actions of State, local and private-sector organizations will be affected as well.

Form Number: None.

Respondents: Individuals or Households and State, Local, or Tribal Government.

Frequency of Submission: On Occasion.

Reporting Burden:

	Number of respondents	x	Frequency of response	x	Hours per response	=	Burden hours
