Notice of Receipt of an Application, and Availability of an Environmental Assessment and Finding of No Significant Impact for an Incidental Take Permit by Union Camp Corporation, Woodlands Division, for Forest Management in South-Central Alabama

AGENCY: Fish and Wildlife Service, Interior.
ACTION: Notice.

SUMMARY: Union Camp Corporation, Woodlands Division (Applicant), seeks an incidental take permit (ITP) from the Fish and Wildlife Service (Service), pursuant to Section 10(a)(1)(B) of the Endangered Species Act of 1973 (16 U.S.C. 1531 *et seq.*), (Act) as amended. The ITP would authorize for a period of 30 years, the incidental take of a threatened species, the Red Hill's salamander (*Phaeognathus hubrichti*). The proposed take is incidental to forest management activities on about 3,810

acres owned by the Applicant in Butler, Conecuh, Covington, and Crenshaw Counties, Alabama. The Service also announces the availability of an Environmental Assessment (EA) and Habitat Conservation Plan (HCP) for this ITP application. The HCP, which is required by Section 10(a)(2)(A) of the Act, was prepared and submitted by the Applicant with the permit application. Copies of the EA and/or HCP may be obtained by making a request in writing to the Regional Office (see **ADDRESSES**). This notice also advises the public that the Service has made preliminary determinations that issuing an ITP to the Applicant is not a major Federal action significantly affecting the quality of the human environment within the meaning of Section 102(2)(C) of the National Environmental Policy Act of 1969, (NEPA) as amended. The Finding of No Significant Impact (FONSI) is based on information contained in the EA and HCP. The final determination will be made no sooner than 30 days from the date of this notice. This notice is provided pursuant to Section 10(c) of the Act and National Environmental Policy Act Regulations (40 CFR 1506.6).

DATES: Written comments on the application, EA and HCP should be sent to the Service's Regional Office (see **ADDRESSES**) and should be received on or before December 13, 1996.

ADDRESSES: Persons wishing to review the application, HCP, and EA may obtain a copy by writing the Service's Southeast Regional Office, Atlanta, Georgia. Documents will also be available for public inspection by appointment during normal business hours at the Regional Office, 1875 Century Boulevard, Suite 200, Atlanta, Georgia 30345 (Attn: Endangered Species Permits), or at the Jackson, Mississippi, Field Office, 6578 Dogwood View Parkway, Suite A, Jackson, Mississippi 39213. Written data or comments concerning the application, EA, or HCP should be submitted to the Regional Office. Comments must be submitted in writing to be processed. Please reference permit number PRT-821527 in such comments, or in requests for the documents discussed herein. Requests for the documents
