Notice of Public Meetings on Drinking Water Issues

Notice is hereby given that the Environmental Protection Agency (EPA) is holding a public meeting on November 21 and 22, 1996, for the purpose of information exchange on issues related to the development of rules to address microbial contaminants and disinfectants/disinfection byproducts in drinking water. The meeting will focus on the need for expedited development of an Interim Enhanced Surface Water Treatment Rule and a Stage I Disinfectants/Disinfection Byproducts Rule to enable the Agency to meet statutory deadlines for these rules established as part of the recently reauthorized Safe Drinking Water Act. Topics for discussion will include: (1) options for regulatory policy alternatives; (2) issues and concerns pertaining to these options; (3) existing information that may be available and what analyses of this information would be helpful to resolve issues and concerns; and (4) next steps and approaches to rule development.

EPA is inviting all interested members of the public to participate in the meeting, which will be held at the Center for Environmental Dispute Resolution (RESOLVE), 2828 Pennsylvania Avenue, Northwest, Washington, D.C. A limited number of phone lines will be available to enable attendance by teleconference also. Because of limitations on conference room seating, members of the public who are interested in attending are requested to contact Elizabeth Corr of EPA's Office of Ground Water and Drinking Water at (202) 260-8907 prior to the first day of the meeting. Inquiries regarding the availability of phone lines should also be directed to Ms. Corr.
