

Application for National Wildlife Refuge Use in Alaska.

OMB Approval Number: 1018-0014.

Abstract: The Alaska National Interest Lands Conservation Act (ANILCA) was signed into law on December 2, 1980. Its broad purpose is to provide for the disposition and use of a variety of federally owned lands in Alaska. Section 1307 of ANILCA contains two provisions concerning persons and entities who are to be given special rights and preferences with respect to providing "visitor services" in certain lands under the administration of the Secretary of the Interior, in this context, units of the National Wildlife Refuge System.

Permit applications will be provided by the Service as requested by interested Alaska citizens. The required written forms and/or verbal application information will be used by the Service to ensure that the applicant is: A member of a Native Corporation; and/or a local resident; and/or was engaged in adequately providing visitor services on, or before January 1, 1979; and/or is eligible to receive Cook Inlet Region rights.

Frequency of collection: On occasion.

Description of Respondents:

Individuals or households; State, local, or Tribal governments; businesses or other for profit and not-for-profit institutions.

Estimated Completion Time: The reporting burden for FWS Form 3-2001 (Application for National Wildlife Refuge Use) and this supplemental application form is estimated to be 40 hours.

Annual Responses: 10.

Annual Burden Hours: 400 hours.

Dated: November 6, 1996.

Carolyn A. Bohan,

Assistant Director, Refuges and Wildlife.

BILLING CODE 4310-55-M

Geological Survey

Biological Resources Division; Request for Public Comments on Proposed Information Collection

ACTION: In accordance with OMB regulations 5 CFR 1320, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)), this notice requests public comments on proposed survey of anglers prior to OMB review.

SUMMARY: This notice seeks to satisfy the Office of Management and Budget (OMB) requirement that all agencies developing proposed collections of information provide a 60 day public

notification period for the purpose of soliciting comments on proposed collection of information, as specified under OMB regulations 5 CFR part 1320 relating the Paperwork Reduction Act of 1995. The collection of information referred herein applies to the public survey of a sample of anglers nationwide during the months of February, March, and April 1997. The purpose of this survey is to obtain information about anglers preferences, behaviors, motivations, and satisfactions with fishing opportunities that can be used by fisheries management agencies to develop fisheries management plans to enhance angler retention. Specific public comments are requested as to:

1. Whether the collection of information is necessary for the proper performance of the functions on the bureaus, including whether the information will have practical utility;
2. The accuracy of the bureau's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
3. The quality, utility, and clarity of the information to be collected; and
4. How to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other forms of information technology.

Estimated Completion Time: 20 minutes.

Estimated Number of Respondents: 20,000.

Frequency: One time only.

Estimated Burden Hours: 6,667 hours.

Proposed Dates: February 1-April 30, 1997.

Needs and Uses: To provide State and Federal fisheries management agencies with information that can be used to develop fisheries management plans or angler education programs that will improve angler satisfaction with fishing opportunities.

Affected Public: Randomly selected individuals who are members of North American Fishing Club.

For Further Information Contact: To obtain copies of the survey and to submit comments on this information collection, contact the Bureau clearance officer, U.S. Geological Survey, 208 National Center, 12201 Sunrise Valley Drive, Reston, Virginia, 20192, telephone (703) 648-7313.

Dated: November 8, 1996.

Dennis B. Fenn,

Chief Biologist.

Bureau of Land Management

[AZ-054-07-1430-00; AZA 29831]

Notice of Realty Action, Recreation and Public Purposes (R&PP) Act Classification, Arizona

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The following public lands in La Paz County, Arizona have been examined and found suitable for classification for lease under the provisions of the Recreation and Public Purposes Act, as amended (43 U.S.C. 869 *et seq.*). The lands will be used by La Paz County Board of Supervisors for a county park.

Gila and Salt River Meridian, Arizona

T. 11 N., R. 18 W.,

Sec. 28, lots 3 and 4.

The area described contains 51.26 acres.

The lands are not needed for Federal purposes. Lease is consistent with the current BLM land use planning and would be in the public interest. The lease, when issued, will be subject to the following terms, conditions, and reservations.

1. Provisions of the Recreation and Public Purposes Act and to all applicable regulations of the Secretary of the Interior.

2. A right-of-way for ditches and canals constructed by the authority of the United States.

3. All minerals shall be reserved to the United States, together with the right to prospect for, mine, and remove minerals.

4. All valid existing rights documented on the official public land records at the time of lease issuance.

5. Any other reservations that the authorized officer determines appropriate to ensure public access and proper management of Federal lands and interests therein.

Detailed information concerning this action is available for review at the office of the Bureau of Land Management, Lake Havasu Field Office, 2610 Sweetwater Avenue, Lake Havasu City, Arizona.

Upon publication of this notice in the Federal Register, the lands will be segregated from all forms of appropriation under the public land laws, including the general mining laws, except for lease under the Recreation and Public Purposes Act and leasing under the mineral leasing laws. For a period of 45 days from the date of publication of this notice in the Federal Register, interested persons may submit comments regarding the proposed lease
