

in ChromaTrim advertisements reflect the typical or ordinary experience of users and (2) that nine out of ten people suffer decreased ability to burn fat, preserve muscle, and control hunger and cravings because of a chromium deficiency.

The proposed consent order contains provisions designed to remedy the violations charged and to prevent the respondents from engaging in similar acts and practices in the future.

Part I of the order requires substantiation for claims that ChromaTrim (1) significantly reduces body fat, (2) causes significant weight loss, (3) significantly reduces body fat or causes weight loss without dieting or exercise, (4) increases lean body mass or builds muscle, and (5) controls appetite or craving for sugar. Similarly, Part I prohibits the claim that nine out of ten people do not consume enough chromium to support normal insulin function, resulting in decreased ability to burn fat, preserve muscle, and control hunger and cravings, unless, such claim is substantiated by competent and reliable scientific evidence at the time it is made.

Part II of the proposed order requires substantiation for any health benefits, performance, efficacy or safety claim for any food, dietary supplement, or drug. Part III prohibits the misrepresentation of any test, study, or research. Part IV prohibits proposed respondents from representing that any testimonial is the typical or ordinary experience of users unless such claim is substantiated or respondents disclose, clearly and prominently, what the generally expected results would be or that consumers should not expect similar results. Parts V and VI allow representations permitted for drugs by the Food and Drug Administration or for foods under the Nutrition Labeling and Education Act. Part VII requires proposed respondents to maintain certain records for five years, and Part VIII requires proposed respondents to distribute a copy of the order to certain persons who have responsibilities subject to the order. Part IX requires the corporate respondent to notify the Commission of any changes in the corporation that may affect compliance with the order and Part X requires that Steven Oscherowitz notify the Commission of changes in employment or of his affiliation with any new employment. This provision is effective for five years. Part XI requires that the proposed respondents file a compliance report and Part XII sunsets the proposed order at twenty years under certain circumstances.

The purpose of this analysis is to facilitate public comment on the proposed order, and it is not intended to constitute an official interpretation of the agreement and proposed order or to modify in any way their terms.

Donald S. Clark,

Secretary.

SUPPLEMENTARY INFORMATION: The PCPFS seeks an organization capable of administering a series of financially self-sustaining PCPFS awards which presently include the "President's Challenge Physical Fitness Awards Program", the "State Champion Award" and the "National Physical Fitness Demonstration Center Award."

1. The President's Challenge Physical Fitness Awards Program

This program recognizes students' physical fitness achievement, ages 6-17, on five fitness test items.

(a) Students scoring at the 85th percentile or above (based on national norms) on all test items are eligible for the Presidential Physical Fitness Award and receive a Presidential certificate and emblem.

(b) The National Physical Fitness Award is available for boys and girls who score at the 50th percentile or above on the five test items and consists of an emblem and/or a certificate of recognition.

(c) The Participant Physical Fitness Award recognizes boys and girls who attempt all five test items on the "President's Challenge" but whose scores fall below the 50th percentile on one or more of them. Students earn an embroidered Participant emblem and/or a certificate of recognition for their accomplishments.

(d) The Health Fitness Award can be earned by youngsters whose test scores meet or exceed the specified health criteria on each of the five items comprising the President's Challenge Health Fitness Test. Award standards are based upon health-related criteria. Students earn an embroidered emblem and/or a certificate of recognition.
