

Pursuant to the Federal Advisory Committee Act (Pub. L. 92-463), and Title 41, Code of Federal Regulations (CFR), Subpart 101-6, Final Rule on Federal Advisory Committee Management, I hereby certify the Advisory Committee on Appliance Energy Efficiency Standards is necessary and in the public interest in connection with the performance of duties imposed on the Department of Energy by law. This notice of intent follows consultation with the Committee Management Secretariat of the General Services Administration, pursuant to 41 CFR Subpart 101-6.10.

The purpose of the Committee is to provide the Secretary of Energy with advice, information, and recommendations on the appliance energy efficiency standards rulemaking process. The Committee will provide an organized forum for a diverse set of interested stakeholders and technically adept individuals to conduct an in-depth assessment of the Appliance Standards rulemaking process.

Committee members will be chosen to ensure an appropriately balanced membership to bring into account a diversity of viewpoints, including representatives from manufacturer trade associations, energy conservation advocates, utilities, state energy offices, and others who may significantly contribute to the deliberations of the committee. All meetings of this Committee will be noticed ahead of time in the Federal Register.

Further information regarding this Advisory Committee may be obtained from Michael McCabe, Director, Office of Codes and Standards, EE-43, 1000 Independence Avenue, SW, Washington, DC 20585-0121, (telephone: 202-586-9155).

Issued in Washington, DC on November 12, 1996.

JoAnne Whitman,

Deputy Advisory Committee Management Officer.
