TransColorado Gas Transmission; Notice of Compliance Filing

November 13, 1996.

Take notice that on November 6, 1996, TransColorado Gas Transmission Company (TransColorado) tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, Original Sheet Nos. 1 through 110, with an effective date of December 6, 1996.

TransColorado states that the tendered filing sheets are being filed to comply with the Commission's orders issued June 3, 1994 and September 30, 1996 at Docket No. CP90-1777-000, *et al.*, in order to establish a FERC Gas Tariff to govern the operations of TransColorado.

TransColorado requests a waiver of the Commission's requirement in the September 30, 1996 certificate order that TransColorado file a FERC Gas Tariff at least 60 days prior to the in-service data of the TransColorado pipeline system. TransColorado reports that it delayed the filing of its tariff in order to participate in the pre-filing meeting with FERC staff to insure that TransColorado filed the appropriate documents with the Commission.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
