

following specifications of New Super Fine Cement: (1) a median grain size of less than three microns; and (2) a maximum grain size of approximately ten microns. This cement is not feasible for use in concrete production.

Final Results of Review; Partial Revocation of Antidumping Duty Order

The affirmative statement of no interest by petitioners in New Super Fine Cement from Japan constitutes changed circumstances sufficient to warrant partial revocation of this order. Therefore, the Department is partially revoking the order on gray portland cement and clinker from Japan with regard to cement which meets the specifications of New Super Fine Cement from Japan, in accordance with sections 751 (b) and (d) and 782(h) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 353.25(d)(1). This partial revocation applies to all entries of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after August 18, 1995.

The Department will instruct the U.S. Customs Service (Customs) to proceed with liquidation, without regard to antidumping duties, of all unliquidated entries of New Super Fine Cement from Japan entered, or withdrawn from warehouse, for consumption on or after August 18, 1995. The Department will further instruct Customs to refund with interest any estimated duties collected with respect to unliquidated entries of New Super Fine Cement from Japan entered, or withdrawn from warehouse, for consumption on or after August 18, 1995, in accordance with Section 778 of the Act.

This notice also serves as a reminder to parties subject to administrative protection orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This changed circumstances administrative review, partial revocation of the antidumping duty order and notice are in accordance with sections 751 (b) and (d) and 782(h) of the Act and sections 353.22(f) and 353.25(d) of the Department's regulations.

Dated: November 13, 1996.
Robert S. LaRussa,
Acting Assistant Secretary for Import Administration.

Large Electric Motors From Japan, Revocation of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of revocation of antidumping duty order.

SUMMARY: The Department of Commerce (the Department) is notifying the public of its revocation of the antidumping duty order on large electric motors from Japan because it is no longer of any interest to domestic interested parties.

EFFECTIVE DATE: November 19, 1996.

FOR FURTHER INFORMATION CONTACT: Elizabeth Urfer or Michael Panfeld, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230, telephone (202) 482-4052.

SUPPLEMENTARY INFORMATION:

Background

The Department may revoke an antidumping duty order if the Secretary concludes that the duty order is no longer of any interest to domestic interested parties. We conclude that there is no interest in an antidumping duty order when no interested party has requested an administrative review for five consecutive review periods and when no domestic interested party objects to revocation (19 CFR § 353.25(d)(4)(iii)).

On December 4, 1995, the Department published in the Federal Register (60 FR 62071) its notice of intent to revoke the antidumping duty order on large electric motors from Japan (December 24, 1980). Additionally, as required by 19 CFR § 353.25(d)(4)(ii), the Department served written notice of its intent to revoke this antidumping duty order on each domestic interested party on the service list. Domestic interested parties who might object to the revocation were provided the opportunity to submit their comments not later than the last day of the anniversary month. Objections or requests for review were originally due December 31, 1995. However, due to the partial government shutdown from December 6, 1995, through January 6,

1996, the time frame to either object or request a review was extended 22 days. Such requests for review or objections to our intent to revoke were therefore due by January 22, 1996.

In this case, we received no requests for review for five consecutive review periods. Furthermore, no domestic interested party, as defined under § 353.2(k)(3), (k)(4), (k)(5), or (k)(6) of the Department's regulations, has expressed timely opposition to revocation. Based on these facts, we have concluded that the antidumping duty order on large electric motors from Japan is no longer of any interest to interested parties. Accordingly, we are revoking this antidumping duty order in accordance with 19 CFR § 353.25(d)(4)(iii).

Scope of the Order

Imports covered by the revocation are shipments of large electric motors from Japan. This merchandise is currently classifiable under Harmonized Tariff Schedules (HTS) item numbers 8501.53.40, 8501.53.60, and 8501.53.80. The HTS numbers are provided for convenience and customs purposes. The written description remains dispositive.

This revocation applies to all unliquidated entries of large electric motors from Japan entered, or withdrawn from warehouse, for consumption on or after December 1, 1995. Entries made during the period December 1, 1994, through November 30, 1995, will be subject to automatic assessment in accordance with 19 CFR § 353.22(e). The Department will instruct the Customs Service to proceed with liquidation of all unliquidated entries of this merchandise entered, or withdrawn from warehouse, for consumption on or after December 1, 1995, without regard to antidumping duties, and to refund any estimated antidumping duties collected with respect to those entries. This notice is in accordance with 19 CFR § 353.25(d).

Dated: November 6, 1996.
Barbara R. Stafford,
Deputy Assistant Secretary for AC/CVD Enforcement.
