Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance and NAFTA Transitional Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of November, 1996.

In order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance to be issued, each of the group eligibility requirements of Section 222 of the Act must be met.

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision therefore, have become totally or partially separated,

(2) That sales or production, or both, of the firm or subdivision have decreased absolutely, and

(3) That increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production.

Negative Determinations for Worker Adjustment Assistance

In each of the following cases the investigation revealed that criterion (3) has not been met. A survey of customers indicated that increased imports did not contribute importantly to worker separations at the firm.

TA-W-32,747; *Lucent Technologies, Inc., Consumer Products Div., Little Rock, AR*

TA-W-32,789; *Stanly Knitting Mills, Inc., Mountain City, NC*

In the following cases, the investigation revealed that the criteria for eligibility have not been met for the reasons specified.

TA-W-32,819; *The Dial Corp., Memphis, TN*

TA-W-32,733; *Comet Rice, Stuttgart, AR*

Increased imports did not contribute importantly to worker separations at the firm.

TA-W-32,892; *International Paper, Kellogg Tree Nursery, Oakland, OR*

The investigation revealed that criteria (2) and criteria (3) have not been met. Sales or production did not decline during the relevant period as required for certification. Increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have not contributed importantly to the

separations or threat thereof, and the absolute decline in sales or production.

TA-W-32,770; *Total Petroleum, Inc., Arkansas City, KS*

U.S. aggregate imports of asphalt and road oil decreased in 1995 when compared to 1994 and continued to decline during the latest twelve month period (July-June) 1996.

U.S. aggregate imports of jet fuel decreased in 1995 when compared to 1994. The import/shipment ratio also decreased during the same period.

TA-W-32,793; *PCI Group, Inc., New Bedford, MA*

The declines in employment at the subject firm are attributed to a decision of transfer production from the subject firm to another domestic company location.

Affirmative Determinations for Worker Adjustment Assistance

The following certifications have been issued; the date following the company name & location for each determination references the impact date for all workers for such determination.

TA-W-32,748; *Clintwood Garment Co., Clintwood, VA; September 3, 1995.*

TA-W-32,791; *River Heights, Inc., Crump, TN; September 30, 1995.*
