Decision List No. 2

Week of October 7 Through October 11, 1996

Personnel Security Hearing

ALBUQUERQUE OPERATIONS OFFICE, 10/9/96, VSO-0099

An Office of Hearings and Appeals Hearing Officer issued an opinion addressing the continued eligibility of an individual for access authorization

under the provisions of 10 C.F.R. Part 710. The Hearing Officer found that the Albuquerque Operations Office had presented sufficient evidence to show that the individual (i) deliberately omitted significant information from a security questionnaire, (ii) is a user of alcohol habitually to excess and suffers from alcohol abuse, and (iii) has engaged in conduct which tends to show that he is not reliable. The Hearing Officer also found that the individual had not shown he was rehabilitated or presented evidence which mitigated the security concerns of the DOE. Accordingly, the Hearing Officer recommended that the individual's access authorization not be restored.
