

testing, 1693 person hours to gather information, monitor and inspect, 20 person hours to process, compile and review, 406 person hours to complete reports, 454 person hours to record and disclose information, and 237 person hours to store and file reports.

The annual burden to industry for the three year period covered by this ICR from recordkeeping and reporting requirements has been estimated at 2,321,399 hours. The respondents costs were calculated on a basis of \$33/hr technical; \$49/hr managerial, and \$15/hr clerical; with a split of 0.05 managerial hours per technical hour and 0.10 clerical hours per technical hour. The total annual burden to industry is estimated at \$74,587,566.

Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This estimate includes the time needed to review instructions; develop, acquire, install, and use technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information. No additional third party burden is associated with this ICR.

Science Advisory Board Executive Committee; Notification of Public Advisory Committee Meeting

Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the Executive Committee (EC) of the Science Advisory Board (SAB) will hold a public teleconference on Tuesday, December 17, 1996, from 3:00 p.m. to 4:00 p.m. (Eastern Standard Time). The teleconference will be hosted in the SAB Conference Room 2103 of the Mall, U.S. Environmental Protection Agency Headquarters Building at 401 M Street SW, Washington, DC 20460. For easy access, members of the public should use the EPA entrance next to the

Safeway. Copies of the documents being reviewed will be available for the public at the time of the meeting in the Conference Room. During this teleconference, the Committee will review the following draft reports from two of its Standing Committees:

1. Review of Ecological Risk Assessment Guidelines
—Ecological Processes and Effects Committee (EPEC).
2. Review of Thyroid Cancer Policy document
—Environmental Health Committee (EHC).

A limited number of telephone lines will be available for use by members of the public.

FOR FURTHER INFORMATION—Members of the public desiring additional information concerning the teleconference or who wish to submit comments should contact Dr. Donald G. Barnes, Designated Federal Officer for the Executive Committee, Science Advisory Board (1400), U.S. EPA, 401 M Street, SW, Washington, DC 20460; by telephone at (202) 260-4126; by fax at (202) 260-9232 or via the INTERNET at: barnes.don@epamail.epa.gov. After December 1, 1996, copies of the draft meeting agenda and draft reports will be available from Ms. Priscilla Tillery-Gadson at the above telephone and fax numbers, and by INTERNET at: tillery-priscilla@epamail.epa.gov. Information regarding how to access the teleconference is available by contacting Ms. Tillery-Gadson at the above numbers.

Members of the public who wish to make a brief oral presentation to the Committee must contact Dr. Barnes in writing by letter, by fax, or by INTERNET (at INTERNET address above) no later than 12 noon (Eastern Standard Time) Tuesday, December 10, 1996, in order to be included on the Agenda. The request should identify the name of the individual who will make the presentation and an outline of the issues to be addressed. Since the EC will be reviewing reports already approved by Standing Committees of the Board, oral comments will be limited to three minutes per speaker and no more than fifteen minutes total. Comments should focus on matters of the clarity of the report and the completeness of responding to the charge, which is included in the report.

Dated: November 22, 1996.

Donald G. Barnes,

Staff Director Science Advisory Board.
