Title: Family Preservation and Family Support (FP/FS) Service Implementation Study—Community Level Data Collection.

OMB No.: New request.

Description: The Omnibus Budget Reconciliation Act of 1993 (OBRA 93) established title IV-B, subpart 2 of the Social Security Act (42 U.S.C. 62-628)

to provide funds to states for the development of family preservation and family support programs and services. Subpart 2, Section 435 of OBRA 93 requires the Secretary of HHS to evaluate the effectiveness of programs carried out under the legislation. This data collection is being conducted to help meet this requirement and to implement reauthorization of the legislation in 1999.

Data collection will ask local child welfare agencies and other community service providers and agencies involved in planning and implementation of title IV-B subpart 2 to provide information on the programs and services funded, populations targeted, reform efforts initiated, and the coordination of new or

expanded programs with the child welfare system and other existing providers. Both qualitative and quantitative analyses will be completed to highlight the process states employ to implement the legislation, coordinate with other funding sources, develop new programs, and improve service delivery systems. The analysis of this information will be used to provide feedback to ACF necessary to determine the need for future policy guidance and refine the nature and scope of technical assistance. The information will also provide direct feedback to states and communities concerning successful implementation strategies.

Respondents: State, Local or Tribal Govt., and Not-for-profit institutions.
