Each Fund shall disclose in its prospectus that: (a) Its shares may be offered to insurance company separate accounts that fund both variable annuity and variable life insurance contracts, and to Plans; (b) differences in tax treatment or other considerations may cause the interests of various Variable Contract owners participating in the Fund and the interests of Plans investing in the Fund to conflict; and (c) the Board will monitor the Fund for any material conflicts and determine what action, if any, should be taken.

10. Each Fund will comply with all the provisions of the 1940 Act requiring voting by shareholders (for these purposes, the persons having a voting interest in the shares of the Funds). In particular, each such Fund either will provide for annual meetings (except to the extent that the Commission may interpret Section 16 of the 1940 Act not to require such meetings) or comply with Section 16(c) of the 1940 Act (although none of the Funds shall be one of the trusts described in Section 16(c) of the 1940 Act) as well as Section 16(a) and, if applicable, Section 16(b) of the 1940 Act. Further, each Fund will act in accordance with the Commission's interpretation of the requirements of Section 16(a) with respect to periodic elections of Board members and with whatever rules the Commission may promulgate with respect thereto.

11. If and to the extent Rule 6e-2 or Rule 6e-3(T) is amended, or if Rule 6e-3 under the 1940 Act is adopted, to provide exemptive relief from any provisions of the 1940 Act or the rules thereunder with respect to mixed and shared funding on terms and conditions materially different from any exemptions granted in the order requested by Applicants, then the Funds and/or the Participants, as appropriate, shall take such steps as may be necessary to comply with Rule 6e2 or Rule 6e-3(T), as amended, and Rule 6e-3, as adopted, to the extent such rules are applicable.

12. No less than annually, the Participants shall submit to each Board such reports, materials or data as each Board may reasonably request so that such Boards may carry out fully the obligations imposed upon them by the conditions stated in this application. Such reports, materials and data shall be submitted more frequently if deemed appropriate by the Boards. The obligations of Participating Insurance Companies and Plans to provide these reports, materials and data upon reasonable request of a Board shall be a contractual obligation of all

Participating Insurance Companies and Plans under the agreements governing their participation in the Funds.

13. If a Plan should become an owner of 10% or more of the assets of a Fund, such Plan will execute a participation agreement with such Fund which includes the conditions set forth herein to the extent applicable. A Plan will execute an application containing an acknowledgment of this condition upon such Plan's initial purchase of the shares of any Fund.

For the reasons set forth above, Applicants represent that the exemptions requested are necessary and appropriate in the public interest and consistent with the protection of investors and purposes fairly intended by the policy and provisions of the 1940 Act.
