Antitrust Division

Notice Pursuant to the National Cooperative Research and Production Act of 1993 PNGV Electrical and Electronics Technical Team

Notice is hereby given that, on October 30, 1996, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), General Motors Corporation filed notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties to and (2) the nature and objectives of a research and development venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to Section 6(b) of the Act, the identities of the parties are General Motors Corporation, Detroit, MI; Chrysler Corporation, Auburn Hills, MI; and Ford Motor Company, Dearborn, MI.

The parties have established an Electrical and Electronics Technical Team to conduct joint research on electrical and electronic devices for applications in technologically advanced vehicles that can meet the goals of the Partnership for a New Generation of Vehicles (PNGV). PNGV is the joint effort of Federal Government and the U.S. Auto Industry to develop affordable, fuel-efficient, low-emission automobiles that meet today's performance standards. The objective of the joint effort is to develop advanced electrical and electronic devices that can significantly improve vehicle
