FEDERAL TRADE COMMISSION

[File No. 942-3218]

California SunCare, Inc.; Donald J. Christal; Analysis to Aid Public Comment

AGENCY: Federal Trade Commission.

ACTION: Proposed consent agreement.

SUMMARY: In settlement of alleged violations of federal law prohibiting unfair or deceptive acts or practices and unfair methods of competition, this consent agreement, accepted subject to final Commission approval, would require, among other things, the Los Angeles, California-based company, and its president, to make certain disclosures in future ads and labeling, cautioning consumers that tanning, even without burning, can cause skin cancer and premature skin aging. The agreement settles allegations that California SunCare made false and unsubstantiated claims that moderate exposure to the ultraviolet radiation of the sun and in indoor tanning salons, such as those marketed by the company, is not harmful, and that such exposure actually provides many health benefits.
