

El Paso states that the tendered tariff sheets will, upon their acceptance, remove references to its Washington Ranch Surcharges and Monthly Billed Amounts and the related tariff sheets since the amortization period for the Washington Ranch costs ends on December 31, 1996. Additionally, El Paso states that it has included schedules showing the interest amounts to be credited to shippers due to an overcollection of interest.

El Paso requested that the Commission grant waiver of Section 31.4(b)(iv) of the General Terms and Conditions contained in its Volume No. 1-A Tariff so that El Paso may apply the interest credit referenced herein to its December, 1996 invoices to be mailed in January, 1997.

El Paso states that copies of the filing were served upon all of El Paso's interstate pipeline system transportation customers and interested state regulatory commissions.
