

[Docket Nos. RP97-180-000 and RP97-181-000 (Not Consolidated)]

Northwest Pipeline Corporation, CNG Transmission Corporation; Notice of Proposed Changes in FERC Gas Tariff

December 6, 1996.

Take notice that the applicants referenced above tendered for filing pro forma tariff sheets in compliance with the Commission's directives in Order No. 587.

Order No. 587 requires pipelines to reflect changes to conform to the standards adopted by the Gas Industry Standards Board and incorporated into the Commission's Regulations by Order No. 587, issued July 17, 1996 in Docket No. RM96-1-000.

Each applicant states that copies of its filing are being mailed to its jurisdictional customers and interested state regulatory agencies.

The filings are not being consolidated. Any party who wishes to file a motion to intervene or protest must file a separate intervention or protest for each docket.

Any person desiring to be heard or to protest any of the above filings should file a motion to intervene or protest for each with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed on or before December 23, 1996. Protests will be considered by the Commission in determining the appropriation action to be taken but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Lois D. Cashell,

Secretary.

[Docket No. CP97-129-000]

Transcontinental Gas Pipe Line Corporation; Notice of Application to Amend Certificate

December 6, 1996.

Take notice that on November 27, 1996, Transcontinental Gas Pipe Line Corporation (Transco), Post Office Box 1396, Houston, Texas 77251, filed in Docket No. CP97-129-000, an application pursuant to Section 7(c) of the Natural Gas Act and Part 157 of the

Commission's regulations (18 CFR 157), to amend the case-specific certificate of public convenience and necessity issued in Docket No. CP84-146-000, *et al.* pursuant to which Transco provides firm transportation service to Public Service Electric & Gas Company (PSE&G) under Transco's Rate Schedule X-275. Transco wants to add an existing interconnection between the systems of Transco and CNG Transmission Corporation at Leidy, Pennsylvania (CNG/Leidy) as a point of receipt under Rate Schedule X-275, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Transco states that the CNG/Leidy receipt point is within PSE&G's existing firm transportation path under Rate Schedule X-275. Transco asserts that the addition of this receipt point will not result in any detriment or disadvantage to Transco's other customers, alter the firm quantities authorized for delivery to PSE&G, or require the construction of any facilities.

Transco explains that this amendment is required by the public convenience and necessity because it will enable PSE&G to access additional gas supplies from the CNG/Leidy receipt point under the Rate Schedule X-275 service, thereby adding security and flexibility to the gas supply requirement of PSE&G and its customers.

Any person desiring to be heard or to make any protest with reference to said application should on or before December 16, 1996, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 and 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time require herein, if

the Commission on its own review of the matter finds that a grant of the certificate for the proposal is require by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that formal hearing is required, further notice is such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Transco to appear or be represented at the hearing.

Lois D. Cashell,

Secretary.

[Docket No. RP97-42-001]

Truckline Gas Company; Notice of Proposed Change in FERC Gas Tariff

December 6, 1996.

Take notice that on December 4, 1996, Truckline Gas Company (Truckline) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the tariff sheets listed on Appendix A attached to the filing to become effective November 17, 1996.

Truckline states that this filing is being made as a result of Truckline including two typographical errors on Sheet No. 9A, which was included in the October 18, 1996 filing in this docket and to repaginate Rate Schedule LFT which was inadvertently placed in with Rate Schedule QNT. Truckline states that the tariff sheets included in Appendix A merely correct administrative errors and in no way change Rate Schedule LFT as it was approved by the Commission on November 15, 1996.

Truckline states that copies of this filing are being served on all parties to this proceeding, jurisdictional customers and applicable state regulatory agencies.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are
