Request for Nominations of Candidates for the National Environmental Education Advisory Council

SUMMARY: Section 9 (a) and (b) of the National Environmental Education Act of 1990 (Pub. L. 101-619) mandates a National Environmental Education Advisory Council. The Advisory Council provides advice, consults with, and makes recommendations to the Administrator of the U.S. Environmental Protection Agency (EPA) on matters relating to the activities, functions, and policies of EPA under the Act. EPA is requesting nominations of candidates for membership on the

Council. The Act requires that the Council be comprised of eleven (11) members appointed by the Administrator of EPA, after consultation with the Secretary of U.S. Department of Education. Members represent a balance of perspectives, professional qualifications, and experience. The Act specifies that members must represent the following:

- Primary and secondary education (one of whom shall be a classroom teacher)—two members.
- Colleges and universities—two members.
- Not-for-profit organizations involved in environmental education—two members.
- State departments of education and natural resources—two members.
- Business and industry—two members.
- Senior Americans—one member.

Members are chosen to represent the various geographic regions of the country, and the Council shall have minority representation. The professional backgrounds of Council members include scientific, policy, and other appropriate disciplines. Each member of the Council shall hold office for a one (1) to three (3) year period, which runs from November to November of each calendar year. Members are expected to participate in up to two (2) meetings per year and bi-monthly or more conference calls per year. Members of the Council shall receive compensation and allowances, including travel expenses, at a rate fixed by the Administrator. There are currently six (6) vacancies on the Advisory Council that must be filled. These include the following:

- Classroom teacher—one vacancy (Nov. 1996–Nov. 1998).
- Not-for-profit organization—one vacancy (Nov. 1996–Nov. 1999).
- State department of education—one vacancy (Nov. 1996–Nov. 1999).
- Business and Industry—two vacancies (Nov. 1996–Nov. 1999).
- Colleges and Universities—one vacancy (Nov. 1996–Nov. 1999).

EPA particularly seeks candidates with demonstrated experience and/or knowledge in any of the following environmental education issue areas:

- Integrating environmental education into state and local education reform and improvement;
- State, national and tribal level environmental education;
- Cross-sector partnerships; leveraging resources for environmental education;
- Professional development for teachers and other education professionals; and

• Targeting under-represented audiences, including low-income and multi-cultural audiences, senior citizens, and other adults.

Additional considerations:

The Council is also looking for individuals who demonstrate the following:

- Strong leadership skills.
- Analytical ability.
- Ability to stand apart and evaluate programs in an unbiased fashion.
- Team players.
- Conviction to follow-through and to meet deadlines.
- Ability to review items on short notice.

DATES: Nominations of candidates to fill the existing vacancies on the Council must be submitted no later than February 15, 1997. Any interested person or organization may submit nominations of qualified persons. The nominations must include the following:

- Name/address/phone of nominating individual.
- 1–2 page resume of nominated candidate.
- Two (2) letters of support for the nominee.
- One (1) page statement of “How the candidate is qualified.” This must not exceed one (1) page and may be written by either the nominator or nominee.
- One (1) page statement by the nominee on his/her personal perspective on environmental education. This must not exceed one (1) page.

ADDRESSES: Submit nominations to Ginger Keho, Advisory Council Coordinator, Environmental Education Division, Office of Communications, Education and Public Affairs (1707), U.S. EPA, 401 M Street, S.W., Washington, DC 20460.

FOR FURTHER INFORMATION CONTACT: Ginger Keho at the above address, or call (202) 260–4129. E-mail address: keho.ginger@epamail.epa.gov.

SUPPLEMENTARY INFORMATION: The Council provides the Administrator with advice and recommendations on EPA implementation of the National Environmental Education Act. In general, the Act is designed to increase public understanding of environmental issues and problems, and to improve the training of environmental education professionals. EPA will achieve these goals, in part, by awarding grants and/or establishing partnerships with other Federal agencies, state and local education and natural resource agencies, not-for-profit organizations, universities, and the private sector to encourage and support environmental

education and training programs. The Council is also responsible for preparing a national biennial report to Congress that will describe and assess the extent and quality of environmental education, discuss major obstacles to improving environmental education, and identify the skill, education, and training needs for environmental professionals.

Denise Graveline,

Acting Associate Administrator, Office of Communications, Education and Public Affairs.

Clofencet; Pesticide Tolerance Petition Filing

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of Filing.

SUMMARY: This notice is a summary of a pesticide petition proposing the establishment of a regulation for residues of clofencet, [MON 21200], in or on wheat as a primary application; in or on the cereal grains group (excluding rice, wild rice and sweet corn) and soybeans as rotational crops; and in animal products. This summary was prepared by the petitioner, Monsanto Company.

DATES: Comments, identified by docket number [PF–678], must be received on or before January 13, 1997.

ADDRESSES By mail, submit written comments to Public Response and Program Resources Branch, Field Operations Division (7506C), Office of Pesticide Programs, Environmental Protection Agency, 401 M St., SW., Washington, DC 20460. In person, bring comments to: Rm. 1132 CM #2, 1921 Jefferson Davis Highway, Arlington, VA 22202.

Comments and data may also be submitted electronically by sending electronic mail (e-mail) to: opp-docket@epamail.epa.gov. Electronic comments must be submitted as an ASCII file avoiding the use of special characters and any form of encryption. Comments and data will also be accepted on disks in WordPerfect 5.1 file format or ASCII file format. All comments and data in electronic form must be identified by the docket number [PF–678]. Electronic comments on this proposed rule may be filed online at many Federal Depository Libraries. Additional information on electronic submissions can be found below in this document.

Information submitted as comments concerning this document may be claimed confidential by marking any part or all of that information as “Confidential Business Information” (CBI). CBI should not be submitted through e-mail. Information marked as CBI will not be disclosed except in accordance with procedures set forth in 40 CFR part 2. A copy of the comment that does not contain CBI must be submitted for inclusion in the public record. Information not marked confidential may be disclosed publicly by EPA without prior notice.
