

Kennecott Corporation, Kennecott Holdings Corporation, and Kennecott Utah Copper Corporation\$30,285.75
Lockheed Corporation\$554.20

By the terms of the proposed AOC, these parties will together pay \$215,640.36 to the Hazardous Substance Superfund. This payment represents approximately 0.035% of the total anticipated response costs for the Site upon which this settlement is based. In exchange for payment, EPA will provide the settling parties with a limited covenant not to sue for liability under sections 106 and 107(a) of CERCLA, including liability for EPA's past costs, the cost of the remedy, and future EPA oversight costs, and under section 7003 of the Solid Waste Disposal Act, as amended (also known as the Resource Conservation and Recovery Act). The settlement amount that each PRP will pay, as shown above, depends upon whether they contributed radioactive hazardous substances or non-radioactive hazardous substances to the Site. The per pound cost for non-radioactive hazardous substances is \$1.54. The per pound cost for radioactive hazardous substances is \$3.08. Settlement amounts are calculated by multiplying these per pound costs by the number of pounds of hazardous substances a party sent to the Site (Base Amount), adding a premium of either 30% or 130% of the Base Amount, as specified by each PRP in the AOC, and adding a \$200 administrative fee. For parties paying a 30% premium (Energy Fuels Nuclear, Inc.), there is an exception to the covenant not to sue if total response costs at the Site exceed \$6,000,000. For parties paying a 130% premium (the Kennecott entities and Lockheed Corporation), there is an exception to the covenant not to sue if total response costs at the Site exceed \$20,000,000. For a period of thirty (30) days from the date of this publication, the public may submit comments to EPA relating to this proposed de minimis settlement. A copy of the proposed AOC may be obtained from Kelcey Land (8ENF-T), U.S. Environmental Protection Agency, Region VIII, 999 18th Street, Suite 500, Denver, Colorado 80202-2405, (303) 312-6393. Additional background information relating to the de minimis settlement is available for review at the Superfund Records Center at the above address.

It is So Agreed:

Dated: December 2, 1996.
Jack W. McGraw,
Acting Regional Administrator, U.S. Environmental Protection Agency, Region VIII.

Notice of Proposed Administrative De Minimis Settlement Under Section 122(g)(4) of the Comprehensive Environmental Response, Compensation and Liability Act, Regarding the Sidney Landfill Site, Towns of Masonville and Sidney, NY

AGENCY: Environmental Protection Agency.

ACTION: Notice of proposed administrative agreement and opportunity for public comment.

SUMMARY: In accordance with Section 122(i) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. 9622(i), the U.S. Environmental Protection Agency ("EPA") Region II announces a proposed administrative *de minimis* settlement pursuant to Section 122(g)(4) of CERCLA, 42 U.S.C. 9622(g)(4), relating to the Sidney Landfill Site ("Site") in the Towns of Masonville and Sidney, Delaware County, New York. This Site is on the National Priorities List established pursuant to Section 105(a) of CERCLA. This notice is being published to inform the public of the proposed settlement and of the opportunity to comment.

The settlement, memorialized in an Administrative Order on Consent ("Order"), is being entered into by EPA and the Sidney Central School District (the "Respondent"). The Respondent contributed a minimal amount of hazardous substances to the Site and is eligible for a *de minimis* settlement under Section 122(g) of CERCLA. Under the Order, the Respondent shall pay EPA amounts totalling \$40,701.95, toward the costs of the response actions that have been and will be conducted with respect to the Site.

DATES: EPA will accept written comments relating to the proposed settlement on or before January 13, 1997.

ADDRESSES: Comments should be sent to the individual listed below. Comments should reference the Sidney Landfill Site and EPA Index No. II-CERCLA-96-0202. For a copy of the Order, contact the individual listed below.

FOR FURTHER INFORMATION CONTACT:
Brian E. Carr, Assistant Regional Counsel, New York/Caribbean Superfund Branch, Office of Regional Counsel, U.S. Environmental Protection Agency, 290 Broadway, 17th Floor, New York, New York, 10007-1866, Telephone: (212) 637-3170.

Dated: November 25, 1996.
Jeanne M. Fox,
Regional Administrator.

Correction of Typographical Error in Final Settlement Payment Amount for One Settling De Minimis Party and Correction of Calculation of Final De Minimis Settlement Payment Amounts for Two Settling De Minimis Parties; In the Matter of Conservation Chemical Company of Illinois, Inc., Gary, Indiana; Docket No. V-W-96-C-337

AGENCY: Environmental Protection Agency.

ACTION: Notice.

SUMMARY: On August 30, 1996, EPA entered into a final de minimis settlement with 153 de minimis potentially responsible parties (PRPs), pursuant to Section 122(g) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), for past and estimated future response costs at the Conservation Chemical Company of Illinois Site in Gary, Indiana ("the CCCI Site"). Subsequently, EPA discovered a typographical error with regard to the final settlement amount stated for Jones Chemical, Inc., one of the settling de minimis PRPs listed in Appendix D to the Administrative Order on Consent, Docket Number: V-W-96-C-337 ("the de minimis Consent Order"). In addition, EPA received information that verified that Appleton Electric Company and Doehler-Jarvis, two settling PRPs, were entitled to credits under the terms of the de minimis Consent Order that reduced the amount of their initial calculated settlement payment amounts. EPA is giving notice that it intends to correct the typographical error in Appendix D with regard to Jones Chemical and correct the calculation of the final settlement amounts for Appleton Electric Company and Doehler-Jarvis to account for the verified credits. These corrections do not impact the interests of the other settling de minimis PRPs.
