

Notice of Availability of the draft EIS in Federal Register. The comment period on the draft EIS will be 45 days from the date the EPA publishes the Notice of Availability in the Federal Register. It is very important that those interested in the management of this area participate at that time.

The final EIS is scheduled to be completed by July, 1997. In the final EIS, the Forest Service is required to respond to comments and responses received during the comment period that pertain to the environmental consequences discussed in the draft EIS and applicable laws, regulations, and policies considered in making a decision regarding the proposal.

Reviewer's Obligations: The Forest Service believes, at this early stage, it is important to give reviewers notice of several court rulings related to public participation in the environmental review process. First, reviewers of draft environmental impact statements must structure their participation in the environmental review of the proposal so that it is meaningful and alerts an agency to the reviewer's position and contentions. *Vermont Yankee Nuclear Power Corp. v. NRDC*, 435 U.S. 519, 553 (1978). Also, environmental objections that could be raised at the draft environmental impact statement stage may be waived or dismissed by the courts. *City of Angoon v. Hodel*, 803 F.2d 1016, 1022 (9th Cir. 1986) and *Wisconsin Heritages, Inc. v. Harris*, 490 F. Supp. 1334, 1338 (E.D. Wis. 1980). Because of these court rulings, it is very important that those interested in this proposed action participate by the close of the 45 day comment period so that substantive comments and objections are made available for the Forest Service at a time when it can meaningfully consider and respond to them in the final EIS.

To be most helpful, comments on the draft EIS should be as specific as possible and may address the adequacy of the statement or the merit of the alternatives discussed. Reviewers may wish to refer to the Council on Environmental Quality regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points.

Responsible Official: Robert L. Schrenk, Forest Supervisor, Kootenai National Forest, 506 US Highway 2 West, Libby, MT 59923 is the Responsible Official. As the Responsible Official I will decide if the proposed project will be implemented. I will document the decision and reasons for the decision in the Record of Decision.

That decision will be subject to Forest Service Appeal Regulations.

Dated: December 5, 1996.
Robert L. Schrenk,
Forest Supervisor.
