

clinical endpoints; (2) train laboratory personnel in the use of the Amplicor HIV-1 Monitor Test at Roche Diagnostics corporate headquarters training facility and at customers' facilities to include discussions of the basic principles of PCR nucleic acid amplification, the design and maintenance of a nucleic acid amplification laboratory, management of workflow, equipment maintenance, and trouble shooting techniques; (3) provide the agency with lot release test results for the first three commercial lots of the Amplicor HIV-1 Monitor Test, submit lot release data for every third lot for a period of 12 months postapproval, and comply with agency determinations regarding the need for submissions of lot release data beyond the 1-year postapproval period; and (4) develop and provide physician and patient educational materials to include information on HIV infection, acquired immune deficiency syndrome (AIDS), anti-viral treatment modalities, viral load testing, the Amplicor HIV-1 Monitor Test, and a statement that the clinical significance of HIV-1 RNA measurements has not been fully established and that studies are in progress to determine the role of HIV RNA measurements.

A summary of the safety and effectiveness data on which CBER based its approval is on file in the Dockets Management Branch (address above) and is available from that office upon written request. Requests should be identified with the name of the device and the docket number found in brackets in the heading of this document.

#### Opportunity for Administrative Review

Section 515(d)(3) of the act (21 U.S.C. 360e(d)(3)) authorizes any interested person to petition, under section 515(g) of the act, for administrative review of CBER's decision to approve this application. A petitioner may request either a formal hearing under part 12 (21 CFR part 12) of FDA's administrative practices and procedures regulations or a review of the application and CBER's action by an independent advisory committee of experts. A petition is to be in the form of a petition for reconsideration under § 10.33(b) (21 CFR 10.33(b)). A petitioner shall identify the form of review requested (hearing or independent advisory committee) and shall submit with the petition supporting data and information showing that there is a genuine and substantial issue of material fact for resolution through administrative review. After reviewing the petition, FDA will decide whether to

grant or deny the petition and will publish a notice of its decision in the Federal Register. If FDA grants the petition, the notice will state the issue to be reviewed, the form of review to be used, the persons who may participate in the review, the time and place where the review will occur, and other details.

Petitioners may, at any time on or before January 16, 1997, file with the Dockets Management Branch (address above) two copies of each petition and supporting data and information, identified with the name of the device and the docket number found in brackets in the heading of this document. Received petitions may be seen in the office above between 9 a.m. and 4 p.m., Monday through Friday.

This notice is issued under the Federal Food, Drug, and Cosmetic Act (secs. 515(d), 520(h) (21 U.S.C. 360e(d), 360j(h))) and under authority delegated to the Commissioner of Food and Drugs (21 CFR 5.10) and redelegated to the Director, Center for Biologics Evaluation and Research (21 CFR 5.53).

Dated: November 26, 1996.

#### Health Resources and Services Administration

#### Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 for opportunity for public comment on proposed data collection projects, the Health Resources and Services Administration (HRSA) will publish periodic summaries of proposed projects being developed for submission to OMB under the Paperwork Reduction Act of 1995. To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, call the

HRSA Reports Clearance Officer on (301) 443-1129.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques

or other forms of information technology.

*Proposed Project*

Grants for Hospital Construction and Modernization—Federal Right of Recovery and Waiver of Recovery (42 CFR 124, Subpart H) (OMB No. 0915-0099)—Extension, no change—The regulation known as “Federal Right of Recovery and Waiver of Recovery”, provides a means for the Federal Government to recover grant funds and a method of calculating interest when a grant-assisted facility under Title VI and XVI is sold or leased, or there is a

change in use of the facility. It also allows for a waiver of the right of recovery under certain circumstances. Facilities are required to provide written notice to the Federal Government when such a change occurs, and to provide copies of sales contracts, lease agreements, estimates of current assets and liabilities, value of equipment, expected value of land on the new owner's books and remaining depreciation for all fixed assets involved in the transactions, and other information and documents pertinent to the change of status.

*Estimates of Annualized Hour Burden*

Regulation	Number of respondents	Responses per respondent	Hours per response	Total burden hours

**Office of Inspector General**

**Program Exclusions: November 1996**

**AGENCY:** Office of Inspector General, HHS.

**ACTION:** Notice of program exclusions. During the month of November 1996, the HHS Office of Inspector General imposed exclusions in the cases set forth below. When an exclusion is imposed, no program payment is made to anyone for any items or services (other than an emergency item or service not provided in a hospital emergency room) furnished, ordered or prescribed by an excluded party under the Medicare, Medicaid, Maternal and

Child Health Services Block Grant and Block Grants to States for Social Services programs. In addition, no program payment is made to any business or facility, e.g., a hospital, that submits bills for payment for items or services provided by an excluded party. Program beneficiaries remain free to decide for themselves whether they will continue to use the services of an excluded party even though no program payments will be made for items and services provided by that excluded party. The exclusions have national effect and also apply to all Executive Branch procurement and non-procurement programs and activities.
