Department of the Army**Corps of Engineers****Final Notice of Issuance, Re-issuance, and Modification of Nationwide Permits**

AGENCY: U.S. Army Corps of Engineers, DOD.

ACTION: Correction.

SUMMARY: This document contains a correction to the final notice of issuance, reissuance and modification of nationwide permits which was published in the Federal Register on Friday, December 13, 1996, (61 FR 65874-65922). On page 65875, in the first column the last sentence indicates that "nationwide permit (NWP) 26 will automatically expire 2 years from today's date [i.e., December 13, 1996] unless otherwise modified or revoked." This represents the correct time period for NWP 26. Therefore, on page 65916, in the third column, the last sentence in paragraph e. should be replaced with the following sentence: "Note, this NWP will expire on December 13, 1998."

Dated: December 16, 1996.
