Emergency Clearance: Public Information Collection Requirements Submitted to the Office of Management and Budget (OMB)

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Health Care Financing Administration (HCFA), Department of Health and Human Services (DHHS), has submitted to the Office of Management and Budget (OMB) the following request for Emergency review. We are requesting an emergency review because the collection of this information is needed prior to the expiration of the normal time limits under OMB's regulations at 5 C.F.R., Part 1320. The collection of HEDIS 3.0 performance measures, including the Health of Seniors and Consumer Assessment of Health Plans Study surveys is necessary for HCFA to obtain the information necessary for the proper oversight and administration of the Medicare Managed Care Program. The Agency cannot reasonably comply with the normal clearance procedures because public harm is likely to result due to the delay in reporting of health care quality measures. If emergency clearance is not provided HCFA will be forced to postpone the collection of this data for eighteen months due to the timing of contract cycles.

HCFA is requesting OMB review and approval of this collection by 12/31/96, with a 180-day approval period. During this 180-day period HCFA will publish a separate Federal Register notice announcing the initiation of an extensive 60-day agency review and public comment period on these requirements. Then HCFA will submit the requirements for OMB review and an extension of this emergency approval.

Type of Information Request: New collection; *Title of Information Collection:* HEDIS 3.0 (Health Plan Data and Information Set), including the Health of Seniors and Consumer Assessment of Health Plans Study (CAHPS) surveys and supporting regulations 42 CFR 417.470, and 42 CFR 417.126; *Form Number:* HCFA-R-200; *Use:* HEDIS will be used for 3 purposes: (1) to provide summary comparative data to the Medicare beneficiary to assist them in choosing among health plans; (2) to provide information to health plans for internal quality improvement activity; and (3) to provide HCFA, as purchaser, information useful for monitoring quality of and access to care provided by the plans; *Frequency:*

annually; *Affected Public:* Individuals or Households, non-profit and for profit HMOs which contract with HCFA to provide managed health care to Medicare beneficiaries; *Number of Respondents:* 438,674; *Total Annual Responses:* 438,674 *Total Annual Hours Requested:* 671,000.

To request copies of the proposed paperwork collections referenced above, call the Reports Clearance Office on (410) 786-1325. Written comments and recommendations for the proposed information collections should be sent by 12/31/96 directly to the OMB Desk Officer designated at the following address: OMB Human Resources and Housing Branch; Attention: Allison Eydt, New Executive Office Building, Room 10235, Washington, D.C. 20503.

Dated: December 17, 1996.

Edwin J. Glatzel,

Director, Management Analysis and Planning Staff, Office of Financial and Human Resources, Health Care Financing Administration.
