SUPPLEMENTARY INFORMATION:

I. Abstract

This mandatory reporting requirement is being implemented under authority of 50 CFR 622.5(a)(1)(I). Because of the need for better data on catch, effort and fishing location, as identified in the stock assessments for king and Spanish mackerel, the Science and Research Director will use the authority granted in this Part of the 622 regulations to initiate comprehensive logbook reporting for these fisheries in the Southeast Region.

II. Method of Collection

All vessels with a king or Spanish mackerel permit will be required to submit a completed logbook with the designated catch, effort and location information for every trip where these species were landed. The data must be recorded and submitted on a logbook provided by the Southeast Fisheries Science Center. Logbooks must be submitted no later than 7 days after the end of the fishing trip. If a vessel did not fish for or catch king or Spanish mackerel during a calendar month, a reporting stating that no fishing occurred during the month must be submitted.
