

combination of debt and equity financing in one of the following ways: Affiliate and the Tennessee Affiliate (i) will each contribute 15% of the total Project costs as a capital contribution to the Special Purposes Entities, which shall be used to pay down the debt, and (ii) will attempt to seek non-recourse project financing for the remaining 70% of the Project costs.

d. Interim Financing by NFG or Affiliate

To the extent that additional financing is required for the Project costs ("Interim Financing"), National or Affiliate proposes to (i) provide, or cause to be provided, under the same terms, conditions and limitations described in the system's long-term financing authorization (HCAR No. 26537, June 26, 1996) ("Long-Term Financing Arrangement"), non-recourse loans secured by the project assets, due on the second anniversary of the Commercial Operations Commencement Date ("Second Anniversary"), or (ii) provide guarantees or make arrangements for recourse to National or Affiliate (collectively, "Guarantees"), which shall terminate on the Second Anniversary, at which time the Affiliate and the Tennessee Affiliate will be required to make substitute recourse arrangements with lenders, or, alternatively, make additional equity contributions on a 50/50 basis for repayment of such obligations.

III. Requests for Authorizations to Allow Proposed Construction and Permanent Financing

The following requests for approval are made to implement the foregoing construction and permanent financing arrangements:

(a) For the Construction Financing and Initial Development Cost Obligations, NFG and the Other Applicants request approval to add Affiliate to the Money Pool Arrangement, for short-term loans not to exceed \$250 million in principal amount at any one time outstanding;³

(b) From and after the Commencement of Commercial Operations Date, for the Interim Financing, NFG requests approval to add Affiliate to the group of NFG's subsidiary companies to which NFG can make long-term loans pursuant to the terms, conditions, and limitations contained in the Long-Term Financing Arrangement, for long-term loans not to exceed \$210 million in principal amount at any one time not outstanding;

³ The \$250 million maximum amount includes all loans made to Supply or Affiliate or both in connection with any of the Initial Development Cost Obligations and/or Construction Financing.

provided, however, that all loans by NFG to Affiliate, whether pursuant to the Money Pool Arrangement and/or the Long-Term Financing Arrangement, shall not in the aggregate exceed \$250 million in principal at any one time outstanding.⁴

IV. Guarantees for Construction and Interim Financing, and Future Business Operations

NFG proposes to enter into guarantee arrangements, obtain letters of credit, and otherwise provide credit support for Affiliate and the Special Purpose Entities, to third parties to enable Affiliate and the Special Purpose Entities to carry on in the ordinary course of their respective businesses, including as necessary for the Construction Financing and Interim Financing.⁵ In order to implement this proposal, NFG requests that Affiliate and the Special Purpose Entities be added to the group of NFG's subsidiary companies to which National may give such credit support pursuant to the terms, conditions and limitations contained in the authorization in HCAR No. 25922, November 12, 1993; and for Affiliate, either by itself or together with NFG, to provide such credit support to the Special Purpose Entities, not to exceed \$175 million at any one time outstanding.⁶

For the Commission, by the Division of Investment Management, pursuant to delegated authority.
