FEDERAL COMMUNICATIONS COMMISSION**Notice of Public Information Collections being Reviewed by the Federal Communications Commission**

December 19, 1996.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden

invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarify of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Persons wishing to comment on this information collection should submit comments February 25, 1997.

ADDRESSES: Direct all comments to Dorothy Conway, Federal Communications Commission, Room 234, 1919 M St., N.W., Washington, DC 20554 or via internet to dconway@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval No.: 3060-0756.

Title: Procedural Requirements and Policies for Commission Processing Bell Operating Company Applications for the Provision of In-Region, InterLATA Services Under Section 271 of the Communications Act.

Form No.: N/A.

Type of Review: Extension.

Respondents: Businesses or other for profit.

Number of Respondents: 57.

Estimated Time Per Response: 292 hours (avg.)

Total Annual Burden: 16,660 hours.

Needs and Uses: The Commission issued a Public Notice (FCC 96-469) that establishes various procedural requirements and policies relating to the Commission's processing of Bell Operating Company (BOC) applications to provide in-region, interLATA services pursuant to Section 271 of the

Communications of 1934, as amended. Among other things, BOCs must file applications which provide information on which the applicant intends to rely in order to satisfy the requirements of Section 271; state regulatory commission will file written consultations relating to the applications; and the Department of Justice will file written consultations relating to the applications. All of the requirements would be used to ensure that BOCs have complied with their obligations under the Communications Act of 1934, as amended before being authorized to provide in-region, interLATA services pursuant to Section 271.

Federal Communications Commission.
