ADDRESSES: Comments, which should refer to the OMB control number (or agency form number), should be addressed to William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, 20th and C Streets, N.W., Washington, DC 20551, or delivered to the Board’s mail room between 8:45 a.m. and 5:15 p.m., and to the security control room outside of those hours. Both the mail room and the security control room are accessible from the courtyard entrance on 20th Street between Constitution Avenue and C Street, N.W. Comments received may be inspected in room M-P-500 between 9:00 a.m. and 5:00 p.m., except as provided in section 261.8 of the Board’s Rules Regarding Availability of Information, 12 CFR 261.8(a).

A copy of the comments may also be submitted to the OMB desk officer for the Board: Alexander T. Hunt, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 3208, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: A copy of the proposed forms and instructions, the Paperwork Reduction Act Submission (OMB 83-1), supporting statement, and other documents that will be placed into OMB’s public docket files once approved may be requested from the agency clearance officer, whose name appears below.

Proposal to approve under OMB delegated authority the extension, with revision, of the following reports:

   Agency form number: FR 2050
   OMB control number: 7100-0068
   Frequency: Weekly
   Reporters: Large foreign branches and banking subsidiaries of U.S. banks
   Annual reporting hours: 2,860
   Estimated average hours per response: 1.0
   Number of respondents: 54 branches, 1 subsidiary
   Small businesses are not affected.
   General description of report: This information collection is voluntary (12 U.S.C. 248(a)(2), 353 et seq., 461, 602, and 625) and is given confidential treatment (5 U.S.C. 552(b)(4)).

Abstract: This report collects data on overnight and term Eurodollars held by certain U.S. residents in selected foreign branches and subsidiaries of U.S. commercial banks and Edge and agreement corporations. The data are used for the construction of the Eurodollar component of the monetary aggregates and for analysis of banks’ liability management practices.

Under the proposed revisions the reporting threshold would be raised from a weekly average of $200 million to $350 million in Eurodollar liabilities. Additions and deletions to the reporting panel would be made only annually. The number of data items collected would be reduced from 4 to 2. As a result of the redefinition of the M2 monetary aggregate in February 1996, the overnight Eurodollar component of M2 was moved to the non-M2 component of M3, where the term component currently is included. Since the separation of the two nonnegotiable Eurodollar items (overnight and term) is no longer necessary, they would be combined into a single item, and the memorandum item would be dropped from the report.

The revised report would be implemented as of the reporting week ending Monday, March 31, 1997.

   Agency form number: FR 2502q
   OMB control number: 7100-0079
   Frequency: Quarterly
   Reporters: Large foreign branches and banking subsidiaries of U.S. banks
   Annual reporting hours: 7,266
   Estimated average hours per response: 3.5
   Number of respondents: 483 branches, 36 subsidiaries
   Small businesses are not affected.
   General description of report: This information collection is mandatory (12 U.S.C. 248(a)(2), 353 et seq., 461, 602, and 625) and is given confidential treatment (5 U.S.C. 552(b)(4)).

Abstract: This report collects assets and liability information from foreign branches and subsidiaries of U.S. commercial banks and Edge and agreement corporations. A separate schedule collects information on Eurodollar liabilities payable to certain U.S. addresses. The data are used in the construction of the monetary aggregates and to monitor flows of funds between banks and their branches. The data also are combined with data from other sources to develop a profile of the total exposure of U.S. banks to individual countries. Together with data from the Department of the Treasury, the FR 2502q provides information that the Bank for International Settlements compiles from all G-10 countries on international banking market developments. In addition, data from the FR 2502q are used by the Department of Commerce to estimate the capital accounts portions of the balance of payments.

Under the proposed revisions, the reporting threshold for branches would be raised from $150 million to $500 million in total assets. The number of data items collected on the Eurodollar schedule would be reduced from three to one, and updates and clarifications would be made to the reporting form and instructions.

The revised report would be implemented on the March 31, 1997, as-of-date.

Board of Governors of the Federal Reserve System, December 24, 1996
William W. Wiles,
Secretary of the Board.

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Board of Governors of the Federal Reserve System

ACTION: Notice

Background

On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board of Governors of the Federal Reserve System (Board) its approval authority under the Paperwork Reduction Act of 1995, as per 5 CFR 1320.16, to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board under conditions set forth in 5 CFR 1320 Appendix A.1. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number. Board-approved collections of information will be incorporated into the official OMB inventory of currently approved collections of information. A copy of the OMB 83-1 and supporting statement and the approved collection of information instrument will be placed into OMB’s public docket files. The following information collection, which is being handled under this delegated authority, has received initial Board approval and is hereby published for comment. At the end of the comment period, the
proposed information collection, along with an analysis of comments and recommendations received, will be submitted to the Board for final approval under OMB delegated authority. Comments are invited on the following:

a. Whether the proposed collection of information is necessary for the proper performance of the Federal Reserve’s functions; including whether the information has practical utility;
b. The accuracy of the Federal Reserve’s estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;
c. Ways to enhance the quality, utility, and clarity of the information to be collected; and

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Comments must be submitted on or before February 28, 1997.

ADDRESSES: Comments, which should refer to the OMB control number (or Agency form number in the case of a new information collection that has not yet been assigned an OMB number), should be addressed to William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, 20th and C Streets, N.W., Washington, DC 20551, or delivered to the Board’s mail room between 8:45 a.m. and 5:15 p.m., and to the security control room outside of those hours. Both the mail room and the security control room are accessible from the courtyard entrance on 20th Street between Constitution Avenue and C Street, N.W. Comments received may be inspected in room M-P-500 between 9:00 a.m. and 5:00 p.m., except as provided in section 261.8 of the Board’s Rules Regarding Availability of Information, 12 CFR 261.8(a).

A copy of the comments may also be submitted to the OMB desk officer for the Board: Alexander T. Hunt, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 3208, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: A copy of the proposed form and instructions, the Paperwork Reduction Act Submission (OMB 83-1), supporting statement, and other documents that will be placed into OMB’s public docket files once approved may be requested from the agency clearance officer, whose name appears below.

Proposal to approve under OMB delegated authority the extension, with revision, of the following report:

1. Report title: Application for Employment with the Board of Governors of the Federal Reserve System ("Application")
   Agency form number: FR 28
   OMB control number: 7100-0181
   Frequency: on occasion
   Reporters: applicants for employment with the Board

Annual reporting hours: 8,500
Estimated average hours per response: 1.0
Number of respondents: 8,500
Small businesses are not affected.

General description of report: This information collection is required to obtain or retain a benefit (12 U.S.C. 244 and 248(1)) and is given confidential treatment under the Privacy Act (5 U.S.C. 552(a)) and the Freedom of Information Act (5 U.S.C. 552(b)(2) and b(6)).

Abstract: The Federal Reserve Board proposes to extend the Application, with revisions, for three years. The purpose of the Application is to collect information to determine the qualifications, suitability, and availability of applicants for employment with the Board. The Application asks about education, training, employment, and other information covering the period since the Applicant left high school.

The proposed revisions include substantively revising several items. There are no proposed deletions. The Board further proposes revising text to comply with current law, to reflect changes in societal language preferences, and to reflect changes in the Board’s Rules Regarding Equal Opportunity.

Board of Governors of the Federal Reserve System, December 24, 1996

William W. Wiles,
Secretary of the Board.

[Docket No. R-0841]

Revenue Limit on Bank-Ineligible Activities of Subsidiaries of Bank Holding Companies Engaged in Underwriting and Dealing in Securities

AGENCY: Board of Governors of the Federal Reserve System.

ACTION: Notice.

SUMMARY: The Board is increasing from 10 percent to 25 percent the amount of total revenue that a nonbank subsidiary of a bank holding company (a so-called section 20 subsidiary) may derive from underwriting and dealing in securities that a member bank may not underwrite or deal in. The revenue limit is designed to ensure that a section 20 subsidiary will not be engaged principally in underwriting and dealing in such securities in violation of section 20 of the Glass-Steagall Act. Based on its experience supervising these subsidiaries and developments in the securities markets since the revenue limitation was adopted in 1987, the Board has concluded that a company earning 25 percent or less of its revenue from underwriting and dealing would not be engaged principally in that activity for purposes of section 20.

EFFECTIVE DATE: March 6, 1997.

FOR FURTHER INFORMATION CONTACT: Gregory A. Baer, Managing Senior Counsel (202/452-3236), Thomas M. Corsi, Senior Attorney (202/452-3275), Legal Division; Michael J. Schoenfeld, Senior Securities Regulation Analyst (202/452-2781), Division of Banking Supervision and Regulation, Board of Governors of the Federal Reserve System. For the hearing impaired only, Telecommunication Device for the Deaf (TDD), Dorothea Thompson (202/452-3544), Board of Governors of the Federal Reserve System, 20th Street and Constitution Avenue, NW., Washington, DC.

SUPPLEMENTARY INFORMATION:

I. Background

Section 20 of the Glass-Steagall Act provides that a member bank of the Federal Reserve System may not be affiliated with a company that is "engaged principally" in underwriting and dealing in securities. In 1987, the Board first interpreted that phrase to allow bank affiliates to engage in underwriting and dealing in bank-ineligible securities—that is, those securities that a member bank would not be permitted to underwrite or deal in—when the Board approved applications by three bank holding companies to underwrite and deal in commercial paper, municipal revenue bonds, mortgage-backed securities, and consumer-receivable-related securities (hereafter, "bank-eligible securities"). In山东省青岛市市南区东海路8号，该区于1995年成立，总面积约19.32平方公里，人口总数约37.2万人，是青岛市的中心城区，也是青岛市政府所在地。其中，市南区有3个街道办事处，分别是市南街道、八大湖街道和八大关街道。市南区的经济发展以服务业为主，拥有众多的商业区和购物中心，如市南国际大厦、市南中央商务区等。其中，市南区的旅游资源较为丰富，有八大关风景区、栈桥、小鱼山等自然景观以及青岛啤酒博物馆等文化景观和科技馆。此外，市南区以金融、科技和文化为支柱产业，涌现出一批知名企业，如青岛啤酒股份有限公司、海尔集团等。
