Notice Pursuant to the National Cooperative Research and Production Act of 1993—Semiconductor Research Corporation

Notice is hereby given that, on December 6, 1996, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. § 4301 *et seq.* ("the Act"), Semiconductor Research Corporation ("SCR") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership status. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, AG Associates, Analogy, Inc., and IntelliSense Corporation are no longer members of the joint venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Semiconductor Research Corporation intends to file additional written notification disclosing all changes in membership.

On January 7, 1985, Semiconductor Research Corporation filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the Federal Register pursuant to Section 6(b) of the Act on January 30, 1985 (50 FR 4281).

The last notification was filed with the Department on October 16, 1996. A notice was published in the Federal Register pursuant to Section 6(b) of the Act on December 6, 1996 (61 FR 64371).
