

in the foreign country that will receive the device. The labeling for devices exported under section 802 of the act also must be in the language and units of measurement of the foreign country or in the language designated by that country.

III. Issues for Public Comment

Considering these changes in the export authority for devices, FDA is reopening for 60 days the comment period for the proposed rule. FDA is soliciting public comment on the following issues:

1. Is a final rule still necessary? Given that section 802 of the act now provides additional flexibility for device exports and to export devices without the need to make export requests under section 801(e)(2) of the act, is there still a need to streamline the export procedure under section 801(e)(2) of the act? If so, what specific relief for exports under § 801(e)(2) of the act is sought for U.S. IDE devices that is not preceded by the new legislation?

2. If a final rule is still necessary, what changes to the rule should be made? For example, the proposed rule included a program option under which foreign countries would notify FDA of their willingness to accept devices that are the subject of an approved IDE. However, there is little evidence to suggest that foreign governments will be willing to accept all IDE devices. Conceivably, a foreign government might be inclined to impose conditions on its acceptance of IDE devices, or accept some, but not all, devices. What are some alternatives to this program option? FDA invites interested persons to submit draft language for any suggested regulatory change.

Interested persons may, on or before March 10, 1997 submit to the Dockets Management Branch (address above) written comments regarding this proposal. Two copies of any comments are to be submitted, except that individuals may submit one copy. Comments are to be identified with the docket number found in brackets in the heading of this document. Received comments may be seen in the office above between 9 a.m. and 4 p.m., Monday through Friday.

During this comment period and FDA's review of the comments, FDA will issue export permits under section 801(e)(2) of the act using current CDRH procedures. A copy of the procedures may be obtained through the Information Processing and Office Automation Branch (HFZ-307), Division of Program Operations, CDRH, by calling 301-594-4520 or by faxing a request to 301-594-4528. In the event

that FDA decides, after considering the comments received, not to issue a final rule or to issue a new proposal, FDA will continue to issue export permits under section 801(e)(2) of the act using current CDRH procedures.

Background

This notice contains proposed amendments to the income tax regulations (26 CFR Parts 1 and 301) under sections 108 and 1017 of the Internal Revenue Code of 1986 (Code). The amendments are proposed to conform the regulations to amendments to sections 108 and 1017 made by the Bankruptcy Tax Act of 1980, Pub. L. 96-589, § 2, 94 Stat. 3389 (1980), 1980-2 C.B. 607 (Bankruptcy Tax Act); the Technical Corrections Act of 1982, Pub. L. 97-448, § 102(h)(1), 96 Stat. 2365, 2372 (1983), 1983-1 C.B. 451; the Deficit Reduction Act of 1984, Pub. L. 98-369, §§ 474(r)(5) and 721(b)(2), 98 Stat. 494, 839, 966 (1984), 1984-3 C.B. (Vol. 1) 1; the Tax Reform Act of 1986, Pub. L. 99-514, §§ 104(b)(2), 231(d)(3)(D), 822, and 1171(b)(4), 100 Stat. 2085, 2105, 2179, 2373, 2513 (1986), 1986-3 C.B. (Vol. 1) 2; and the Omnibus Budget Reconciliation Act of 1993, Pub. L. 103-66, § 13150, 107 Stat. 312, 446 (1993), 1993-3 C.B. 1.

In general, section 108 excludes from gross income discharges of indebtedness if the discharge occurs in a title 11 case or when the taxpayer is insolvent, or if the indebtedness is "qualified farm indebtedness" or "qualified real property business indebtedness." Taxpayers generally must reduce specified tax attributes, including adjusted bases of properties, to the extent income from discharge of indebtedness is excluded from gross income under section 108. Section 1017

provides rules regarding any basis reductions required by, or elected under, section 108.

Explanation of Provisions

Overview

The legislative history of the Bankruptcy Tax Act states that the exclusion of discharge of indebtedness (COD income) from gross income under section 108 is intended to promote a debtor's fresh start. S. Rep. No. 1035, 96th Cong., 2d Sess. 10 (1980), 1980-2 C.B. 620, 624; H.R. Rep. No. 833, 96th Cong., 2d Sess. 11 (1980). The exclusion provided by the statute generally operates, however, to defer, rather than eliminate, income from discharge of indebtedness.

The deferral of income provided by statute is generally achieved by requiring a taxpayer to reduce specified tax attributes (including adjusted bases of property) under section 108(b) by an amount equal to the COD income excluded from gross income under section 108(a). Section 108(b)(2) requires a taxpayer to reduce tax attributes in the following order: (A) net operating loss; (B) general business credit; (C) minimum tax credit; (D) capital loss carryovers; (E) adjusted bases of property; (F) passive activity loss and credit carryovers; and (G) foreign tax credit carryovers. If the excluded COD income exceeds the sum of the taxpayer's tax attributes, the excess is permanently excluded from the taxpayer's gross income.

When basis reductions are necessary, section 1017(a) requires the taxpayer to reduce the adjusted bases of property held on the first day of the following tax year. Section 1017(b)(1) provides that the amount of the basis reduction required under section 1017(a), and the particular properties the bases of which are to be reduced, shall be determined under regulations.

General Rules for Basis Reduction

Consistent with the legislative history of the Bankruptcy Tax Act, the proposed regulations generally retain the "tracing" approach of the existing regulations issued under prior law. Thus, the proposed regulations require a taxpayer to reduce the adjusted basis of the property that secured the discharged indebtedness before reducing the adjusted bases of other property.

In addition, the proposed regulations modify the categories in the existing regulations to simplify the process of basis reduction. First, the distinction between purchase-money indebtedness and other secured indebtedness is

eliminated. Second, the order of basis reduction for property that secured discharged indebtedness is changed. Thus, the first category of the general ordering rule is real property used in the taxpayer's trade or business or held for the production of income (other than section 1221(1) real property) that secured the discharged indebtedness, and the second category is personal property used in the taxpayer's trade or business or held for the production of income (other than inventory, accounts receivable, and notes receivable) that secured the discharged indebtedness. Therefore, if an indebtedness secured by a building, a parcel of land used in the taxpayer's trade or business, office equipment, and office furniture is discharged, the taxpayer proportionately reduces the adjusted bases of the building and the parcel of land, based upon their relative adjusted bases, to the full extent of the excluded COD income before reducing the adjusted bases of the office equipment and the office furniture. The IRS and Treasury Department believe that this modification of the current regulations will simplify the process of basis reduction for many taxpayers.

Special Rules for Depreciable Properties

Instead of reducing tax attributes in the order specified by section 108(b)(2), a taxpayer may elect under section 108(b)(5) first to reduce the adjusted bases of depreciable property (real and personal) to the extent of the excluded COD income. If the adjusted bases of depreciable property are insufficient to offset the entire amount of excluded COD income, the taxpayer must reduce any remaining tax attributes in the order specified in section 108(b)(2). Section 108(c) requires that excluded COD income from the cancellation of qualified real property business indebtedness must be applied against depreciable real property.

Section 1017(b)(3)(C) provides that a taxpayer must treat a partnership interest as depreciable property when reducing adjusted bases under section 108(b)(5), and as depreciable real property when reducing adjusted bases under section 108(c), to the extent the partnership correspondingly reduces the partner's proportionate interest in the adjusted bases of depreciable property (or depreciable real property) held by the partnership (inside basis).

The proposed regulations generally provide that a taxpayer may freely choose whether or not to request that a partnership reduce the partner's share of depreciable basis in partnership property and thereby permit the taxpayer to treat the partnership interest

as depreciable property (or depreciable real property). In addition, the proposed regulations generally provide that the partnership is free to grant or deny its consent. In order to prevent avoidance of the general ordering rules of the proposed regulations through the use of partnerships, however, a partner is required to request consent if the partner owns (directly or indirectly) more than 50 percent of the capital and profits interests of the partnership, or if the partner receives a distributive share of COD income from the partnership. In addition, the partnership is required to grant consent if requests are made by partners owning (directly or indirectly) an aggregate of more than 50 percent of the capital and profits interests of the partnership.

The proposed regulations provide that a partner requesting a reduction in inside basis must make the request before the due date (including extensions) for filing the partner's Federal income tax return for the taxable year in which the partner has COD income. A partnership that consents to a basis reduction must include a consent statement with its Form 1065, U.S. Partnership Return of Income, and must also provide a copy of that statement to the affected partner on or before the date the Form 1065 is filed. The IRS and Treasury Department recognize that under current law a partner may not always have sufficient information with which to decide to request a basis reduction until on, or shortly before, the due date (including extensions) for filing the partner's tax return. For example, for calendar year taxpayers, a partner's tax return and a partnership's Form 1065 are generally due on the same day. See sections 6031 and 6072. Comments are requested as to whether additional rules (such as requiring a partnership to inform partners of COD income prior to the date the Form 1065 is filed) are necessary to ensure that information is exchanged between the partnership and its partners in a timely fashion.

The proposed regulations remove § 301.9100-13T, which governs elections under section 108(b)(5), and add new proposed § 1.108-4. Under the temporary regulations, a taxpayer is required to make the election with the taxpayer's Federal income tax return for the taxable year in which the discharge occurs, but is permitted to file an election with an amended return, or claim for credit or refund, if the taxpayer establishes reasonable cause for failing to file the election with the original return. New proposed § 1.108-4 requires the taxpayer to make the election on the timely filed (including

extensions) Federal income tax return for the taxable year the taxpayer has COD income that is excluded under section 108(a). Therefore, a taxpayer that fails to make the election on that return must request the Commissioner's consent to file a late election under § 301.9100-3T or any regulations that supersede § 301.9100-3T.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in EO 12866. Therefore, a regulatory assessment is not required.

Pursuant to section 7805(f) of the Internal Revenue Code, this notice of proposed rulemaking will be submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business. Initial Regulatory Flexibility Act Analysis

This initial analysis is required under the Regulatory Flexibility Act (5 U.S.C. chapter 6). In certain circumstances, the proposed regulations will require a partnership to include a statement with its Form 1065, U.S. Partnership Return of Income, and provide a copy of that statement with the taxpayer's Schedule K-1 (Form 1065), Partner's Share of Income, Credits, Deductions, etc., for the taxable year in which the COD income is excluded under section 108(a), stating the amount of the partner's share of the reduction in the partnership's adjusted bases of depreciable real or personal property (inside basis). This requirement will ensure that the partner knows it is entitled to reduce the adjusted basis of the partnership interest and that the affected partnership knows it must reduce the partner's interest in inside basis. The legal basis for this requirement is contained in sections 1017(b), 6001, and 7805(a).

Though the proposed regulations might affect any partnership owning depreciable property, the IRS and Treasury Department believe that partnerships owning depreciable real property are the most likely to be affected. Approximately 1,560,000 partnership returns were filed for 1993. Approximately 620,000 of these were for partnerships owning real property. It is unlikely, however, that many of these partnerships will be affected by the proposed regulations in any given year.

After a partner conveys information concerning the amount of COD income excluded from gross income under section 108(a) to the affected partnership, the partnership must reduce the partner's interest in inside basis. Accordingly, the partnership must

prepare and maintain special entries on its books because this basis reduction will reduce the partner's share of the partnership's depreciation deductions, and ultimate gain or loss on the sale of the property, in subsequent years. In many cases, partnership returns are prepared using computer software that can prepare and maintain these special entries after the initial year.

The IRS and Treasury Department are not aware of any federal rules that may duplicate, overlap, or conflict with the proposed rule.

As an alternative to the disclosure described above, the IRS and Treasury Department considered, but rejected as too burdensome, a rule that would have required an affected partnership to disclose the reductions of adjusted basis on a property-by-property basis. There are no known alternative rules that are less burdensome to small entities but that accomplish the purpose of the statute. The IRS and Treasury Department request comments from small entities concerning possible alternatives.

Comments and Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (a signed original and eight (8) copies) that are submitted timely to the IRS. All comments will be available for public inspection and copying.

A public hearing has been scheduled for April 29, 1997, at 10 a.m. in IRS Auditorium, 7th Floor, Internal Revenue Building, 1111 Constitution Avenue, NW., Washington, DC. Because of access restrictions, visitors will not be admitted beyond the Internal Revenue Building lobby more than 15 minutes before the hearing starts.

The rules of 26 CFR 601.601(a)(3) apply to the hearing.

Persons that wish to present oral comments at the hearing must submit written comments by April 7, 1997 and submit an outline of the topics to be discussed and the time to be devoted to each topic (signed original and eight (8) copies) by April 3, 1997.

A period of 10 minutes will be allotted to each person for making comments.

An agenda showing the scheduling of the speakers will be prepared after the deadline for receiving outlines has passed. Copies of the agenda will be available free of charge at the hearing.

Par. 9. Section 1.108-4 is added to read as follows:

§ 1.108-4 Election to reduce basis of depreciable property under section 108(b)(5).

(a) *Description.* An election under section 108(b)(5) is available whenever a taxpayer excludes discharge of indebtedness (COD income) from gross income under sections 108(a)(1)(A), (B), or (C) (concerning title 11 cases, insolvency, and qualified farm indebtedness, respectively). See sections 108(d)(2) and (3) for the definitions of *title 11 case* and *insolvent*. See section 108(g)(2) for the definition of *qualified farm indebtedness*.

(b) *Time and manner.* To make an election under section 108(b)(5), a taxpayer must enter the appropriate information on Form 982, *Reduction of Tax Attributes Due to Discharge of Indebtedness (and Section 1082 Basis Adjustment)*, and attach the form to the timely filed (including extensions) Federal income tax return for the taxable year in which the taxpayer has COD income that is excluded from gross income under section 108(a). An election under this section may be revoked only with the consent of the Commissioner.

(c) *Effective date.* This section is effective for elections concerning discharges of indebtedness occurring on or after the date these regulations are published as final regulations in the Federal Register.

Par. 10. Section 1.108-5 is added to read as follows:

§ 1.108-5 Limitations on the exclusion of income from the discharge of qualified real property business indebtedness.

(a) *Indebtedness in excess of value.* The amount excluded from gross income under section 108(a)(1)(D) (concerning discharges of qualified real property business indebtedness) shall not exceed the excess, if any, of the outstanding principal amount of that indebtedness immediately before the discharge over the net fair market value of the qualifying real property, as defined in § 1.1017-1(c)(1), immediately before the discharge. For purposes of this section, *net fair market value* means the fair market value of the qualifying real property (notwithstanding section 7701(g)) reduced by the outstanding principal amount of any other qualified real property business indebtedness secured by that property immediately before and after the discharge.

(b) *Overall limitation.* The amount excluded from gross income under section 108(a)(1)(D) shall not exceed the aggregate adjusted bases of all depreciable real property held by the taxpayer immediately before the discharge (other than depreciable real property acquired in contemplation of the discharge) reduced by the sum of any—

(1) Depreciation claimed for the taxable year the taxpayer excluded discharge of indebtedness from gross income under section 108(a)(1)(D); and

(2) Reductions to the adjusted bases of depreciable real property required under section 108(b) or section 108(g) for the same taxable year.

(c) *Effective date.* This section is effective for discharges of qualified real property business indebtedness occurring on or after the date these

regulations are published as final regulations in the Federal Register.

Par. 11. Section 1.1017-1 is revised to read as follows:

§ 1.1017-1 Basis reductions following a discharge of indebtedness.

(a) *General rule for section 108(b)(2)(E).* This paragraph (a) applies to basis reductions under section 108(b)(2)(E) that are required by section 108(a)(1) (A) or (B) because the taxpayer excluded discharge of indebtedness (COD income) from gross income. A taxpayer must reduce in the following order, to the extent of the excluded COD income but not below zero, the adjusted bases of property held on the first day of the taxable year following the taxable year that the taxpayer excluded COD income from gross income (in proportion to adjusted basis):

(1) Real property used in a trade or business or held for investment, other than real property described in section 1221(1), that secured the discharged indebtedness immediately before the discharge (see paragraph (f)(1) of this section for the treatment of partnership indebtedness as indebtedness secured by the taxpayer's interest in the partnership);

(2) Personal property used in a trade or business or held for investment, other than inventory, accounts receivable, and notes receivable, that secured the indebtedness immediately before the discharge (see paragraph (f)(1) of this section for the treatment of partnership indebtedness as indebtedness secured by the taxpayer's interest in the partnership);

(3) Remaining property used in a trade or business or held for investment, other than inventory, accounts receivable, notes receivable, and real property described in section 1221(1);

(4) Inventory, accounts receivable, notes receivable, and real property described in section 1221(1); and

(5) Property not used in a trade or business nor held for investment.

(b) *Operating rules—(1) Prior tax-attribute reduction.* The amount of excluded COD income applied to reduce basis does not include any COD income applied to reduce tax attributes under sections 108(b)(2) (A) through (D) and, if applicable, section 108(b)(5). For example, if a taxpayer excludes \$100 of COD income from gross income under section 108(a) and reduces tax attributes by \$40 under sections 108(b)(2) (A) through (D), the taxpayer is required to reduce the adjusted bases of property by \$60 (\$100-\$40) under section 108(b)(2)(E).

(2) *Multiple discharged indebtednesses.* If a taxpayer has COD

income attributable to more than one discharged indebtedness resulting in the reduction of tax attributes under sections 108(b)(2) (A) through (D) and, if applicable, section 108(b)(5), paragraph (b)(1) of this section must be applied by allocating the tax-attribute reductions among the indebtednesses in proportion to the amount of COD income attributable to each discharged indebtedness. For example, if a taxpayer excludes \$20 of COD income attributable to secured indebtedness A and excludes \$80 of COD income attributable to unsecured indebtedness B (a total exclusion of \$100), and if the taxpayer reduces tax attributes by \$40 under sections 108(b)(2) (A) through (D), the taxpayer must reduce the amount of COD income attributable to secured indebtedness A to \$12 ($\$20 - (\$20 \div \$100 \times \$40)$) and must reduce the amount of COD income attributable to unsecured indebtedness B to \$48 ($\$80 - (\$80 \div \$100 \times \$40)$).

(3) *Limitation on basis reductions under section 108(b)(2)(E) in bankruptcy or insolvency.* If COD income arises from a discharge of indebtedness in a title 11 case or while the taxpayer is insolvent, the amount of any basis reduction under section 108(b)(2)(E) shall not exceed the excess of—

(i) The aggregate of the adjusted bases of property and the amount of money held by the taxpayer immediately after the discharge; over

(ii) The aggregate of the liabilities of the taxpayer immediately after the discharge.

(c) *Modification of ordering rules for basis reductions under sections 108(b)(5) and 108(c)*—(1) *In general.* The ordering rules prescribed in paragraph (a) of this section apply, with appropriate modifications, to basis reductions under sections 108 (b)(5) and (c). Thus, a taxpayer may reduce only the adjusted bases of depreciable property under section 108(b)(5) and may reduce only the adjusted bases of depreciable real property under section 108(c). Furthermore, for basis reductions under section 108(c), a taxpayer must reduce the adjusted basis of the qualifying real property to the extent of the discharged qualified real property business indebtedness before reducing the adjusted bases of other depreciable real property. The term *qualifying real property* means real property with respect to which the indebtedness is qualified real property business indebtedness within the meaning of section 108(c)(3). See paragraphs (e) and (f) of this section for elections relating to section 1221(1) property and partnership interests.

(2) *Partial basis reductions under section 108(b)(5).* If the amount of basis reductions under section 108(b)(5) is less than the amount of the COD income excluded from gross income under section 108(a), the taxpayer must reduce the balance of its tax attributes, including any remaining adjusted bases of depreciable property, under section 108(b)(2). For example, if a taxpayer excludes \$100 of COD income from gross income under section 108(a) and elects to reduce the adjusted bases of depreciable property by \$10 under section 108(b)(5), the taxpayer must reduce its remaining tax attributes by \$90 under section 108(b)(2).

(3) *Modification of fresh start rule for prior basis reductions under section 108(b)(5).* After reducing the adjusted bases of depreciable property under section 108(b)(5), a taxpayer must compute the limitation on basis reductions under section 1017(b)(2) using the aggregate of the remaining adjusted bases of property. For example, if, immediately after the discharge of indebtedness in a title 11 case, a taxpayer's adjusted bases of property is \$100 and its undischarged indebtedness is \$70, and if the taxpayer elects to reduce the adjusted bases of depreciable property by \$10 under section 108(b)(5), section 1017(b)(2) limits any further basis reductions under section 108(b)(2)(E) to \$20 ($(\$100 - \$10) - \70).

(d) *Changes in security.* Any change in the property securing an indebtedness during the one-year period preceding the discharge of that indebtedness shall be disregarded if a principal purpose of that change is to affect the taxpayer's basis reductions under section 1017.

(e) *Election to treat section 1221(1) real property as depreciable*—(1) *In general.* For basis reductions under sections 108 (b)(5) and (g), a taxpayer may elect under sections 1017(b) (3)(E) and (4)(C), respectively, to treat real property described in section 1221(1) as depreciable property. This election is not available, however, for basis reductions under section 108(c).

(2) *Time and manner.* To make an election under section 1017(b) (3)(E) or (4)(C), a taxpayer must enter the appropriate information on Form 982, *Reduction of Tax Attributes Due to Discharge of Indebtedness (and Section 1082 Basis Adjustment)*, and attach the form to a timely filed (including extensions) Federal income tax return for the taxable year in which the taxpayer has COD income that is excluded from gross income under section 108(a). An election under this

paragraph (e) may be revoked only with the consent of the Commissioner.

(f) *Partnerships*—(1) *Partnership COD income.* For purposes of paragraph (a) of this section, a taxpayer must treat a distributive share of a partnership's COD income as attributable to a discharged indebtedness secured by the taxpayer's interest in that partnership.

(2) *Partnership interest treated as depreciable property*—(i) *In general.* For purposes of making basis reductions, if a taxpayer makes an election under section 108 (b)(5) or (c) the taxpayer must treat a partnership interest as depreciable property (or depreciable real property) to the extent of the partner's proportionate share of the partnership's basis in depreciable property (or depreciable real property), provided the partnership consents to a corresponding reduction in the partnership's basis (inside basis) in depreciable property (or depreciable real property) with respect to such partner.

(ii) *Request by partner and consent of partnership*—(A) *In general.* Except as otherwise provided in this paragraph (f)(2)(ii), a taxpayer may choose whether or not to request that a partnership reduce the inside basis of its depreciable property (or depreciable real property) with respect to the taxpayer, and the partnership may grant or withhold such consent, in its sole discretion. A request by the taxpayer must be made before the due date (including extensions) for filing the taxpayer's Federal income tax return for the taxable year in which the taxpayer has COD income that is excluded from gross income under section 108(a).

(B) *Request for consent required.* A taxpayer must request a partnership's consent to reduce inside basis if the taxpayer owns (directly or indirectly) a greater than 50 percent interest in the capital and profits of the partnership, or if reductions to the basis of the taxpayer's depreciable property (or depreciable real property) are being made with respect to the taxpayer's distributive share of COD income of the partnership.

(C) *Granting of request required.* A partnership must consent to reduce its partners' shares of inside basis if consent is requested by partners owning (directly or indirectly) an aggregate of more than 50 percent of the capital and profits interests of the partnership. For example, if there is a cancellation of partnership indebtedness securing real property used in a partnership's trade or business, and if partners owning (in the aggregate) 60 percent of the capital and profits interests of the partnership elect to exclude the COD income under

section 108(c), the partnership must make the appropriate reductions in those partners' shares of inside basis.

(iii) *Partnership consent statement*—
(A) *Partnership requirement.* A consenting partnership must include with the Form 1065, U.S. Partnership Return of Income, for the taxable year of the partnership that ends with or within the taxable year the taxpayer excludes COD income from gross income under section 108(a), and must provide to the taxpayer on or before the date the Form 1065 is filed, a statement that—

(1) Contains the name, address, and taxpayer identification number of the partnership; and

(2) States the amount of the reduction of the partner's proportionate interest in the adjusted bases of the partnership's depreciable property or depreciable real property, whichever is applicable.

(B) *Taxpayer's requirement.* Statements described in paragraph (f)(2)(iii)(A) of this section must be attached to a taxpayer's timely filed (including extensions) Federal income tax return for the taxable year in which the taxpayer has COD income that is excluded from gross income under section 108(a).

(iv) *Partner's share of partnership's adjusted basis.* [Reserved.]

(3) *Partnership basis reduction.* The rules of this section (including this paragraph (f)), apply in determining the properties to which the partnership's basis reductions must be made.

(g) *Special allocation rule for cases to which section 1398 applies.* If a bankruptcy estate and a taxpayer to whom section 1398 applies (concerning only individuals under Chapter 7 or 11 of title 11 of the United States Code) hold property subject to basis reduction under section 108(b)(2)(E) or (5) on the first day of the taxable year following the taxable year of discharge, the bankruptcy estate must reduce all of the adjusted bases of its property before the taxpayer is required to reduce any adjusted bases of property.

(h) *Effective date.* This section is effective for discharges of indebtedness occurring on or after the date these regulations are published as final regulations in the Federal Register.
