32 CFR Part 220

Collection From Third Party Payers of Reasonable Costs of Healthcare Services

AGENCY: Office of the Secretary, DoD.
ACTION: Final rule; amendment.

SUMMARY: The Department of Defense published a final rule concerning Collection From Third Party Payers of Reasonable Costs of Healthcare Services. This part is published to suspend the effectiveness of 32 CFR 220.8(k)(2). The effective date initially established for this change was June 1, 1996. Due to unanticipated administrative requirements that extended the timeframe for implementation, this effective date is now suspended until April 1, 1997.

DATES: Effective January 7, 1997, section 220.8(k)(2), as published at 61 FR 6542, February 21, 1996, is suspended until April 1, 1997.

FOR FURTHER INFORMATION CONTACT: LCDR Patrick Kelly, (703) 681-8910.

SUPPLEMENTARY INFORMATION: The amendment published on February 21, 1996, was not self-implementing. Rather, implementation required a change in billing practices by military treatment facilities and TRICARE resource sharing providers. Due to unanticipated administrative

requirements that extended the timeframe for implementation, the changes in billing practices were suspended briefly. In view of these circumstances, the solicitation of additional public comment prior to establishing a deferred effective date is unnecessary.
