**SUPPLEMENTARY INFORMATION:**

#### I. Background on the Alaska Program

On March 23, 1983, the Secretary of the Interior conditionally approved the Alaska program. General background information on the Alaska program, including the Secretary's findings, the disposition of comments, and conditions of approval of the Alaska program can be found in the March 23, 1983, Federal Register (48 FR 12274). Subsequent actions concerning Alaska's program and program amendments can be found at 30 CFR 902.15 and 902.16.

#### II. Proposed Amendment

By letter dated December 12, 1996, Alaska submitted a proposed amendment to its program pursuant to SMCRA (Amendment number V, administrative record No. AK-F-1, 30 U.S.C. 1201 *et seq.*). Alaska submitted the proposed amendment in response to required program amendments at 30 CFR 902.16(b)(1). The provisions of the Alaska Administrative Code (AAC) that Alaska proposes to revise and add are 11 AAC 90.207(f)(3), concerning requirements for self-bonds and 11 AAC 90.207(f)(8), concerning definitions of specific terms used for self-bonding.

Specifically, Alaska is proposing to revise 11 AAC 90.207(f)(3) to provide, in pertinent part, that the Commissioner [of Natural Resources] will, in the Commissioner's discretion, accept a written guarantee from a corporate guarantor if the applicant for a self-bond meets certain conditions, including

designating and maintaining its own agent for service of process in Alaska.

Alaska proposes the addition of new language at 11 AAC 90.207(f)(8) (A) through (H) to provide definitions for the terms "self-bond," "current assets," "current liabilities," "fixed assets," "liabilities," "net worth," "parent corporation," and "tangible net worth" as follows:

(A) "self-bond" means an indemnity agreement in a sum certain executed by the applicant or by the applicant and any corporate guarantor and made payable to the regulatory authority with or without a separate surety;

(B) "current assets" means cash or other assets or resources which are reasonable expected to be converted to cash or sold or consumed within one year or within the normal operating cycle of the business;

(C) "current liabilities" means obligations which are reasonably expected to be paid or liquidated within one year or within the normal operating cycle of the business;

(D) "fixed assets" means plants and equipment, but does not include land or coal in place;

(E) "liabilities" means obligations to transfer assets or provide services to other entities to the future as a result of past transactions;

(F) "net worth" means total assets minus total liabilities and is equivalent to owners' equity;

(G) "parent corporation" means a corporation which owns or controls the applicant; and

(H) "tangible net worth" means net worth minus intangibles such as good will and rights to patents or royalties.

#### III. Public Comment Procedures

In accordance with the provisions of 30 CFR 732.17(h), OSM is seeking comments on whether the proposed amendment satisfies the applicable program approval criteria of 30 CFR 732.15. If the amendment is deemed adequate, it will become part of the Alaska program.

##### 1. Written Comments

Written comments should be specific, pertain only to the issues proposed in this rulemaking, and include explanations in support of the commenter's recommendations. Comments received after the time indicated under **DATES** or at locations other than the Denver Field Division, Western Regional Coordinating Center, will not necessarily be considered in the final rulemaking or included in the administrative record.

##### 2. Public Hearing

Persons wishing to testify at the public hearing should contact the person listed under **FOR FURTHER INFORMATION CONTACT** by 4:00 p.m., m.s.t., January 23, 1997. Any disabled

individual who has need for a special accommodation to attend a public hearing should contact the individual listed under **FOR FURTHER INFORMATION CONTACT**. The location and time of the hearing will be arranged with those persons requesting the hearing. If no one requests an opportunity to testify at the public hearing, the hearing will not be held. Filing of a written statement at the time of the hearing is requested as it will greatly assist the transcriber. Submission of written statements in advance of the hearing will allow OSM officials to prepare adequate responses and appropriate questions.

The public hearing will continue on the specified date until all persons scheduled to testify have been heard. Persons in the audience who have not been scheduled to testify, and who wish to do so, will be heard following those who have been scheduled. The hearing will end after all persons scheduled to testify and persons present in the audience who wish to testify have been heard.

### 3. Public Meeting

If only one person requests an opportunity to testify at a hearing, a public meeting, rather than a public hearing, may be held. Persons wishing to meet with OSM representatives to discuss the proposed amendment may request a meeting by contacting the person listed under **FOR FURTHER INFORMATION CONTACT**. All such meetings will be open to the public and, if possible, notices of meetings will be posted at the locations listed under **ADDRESSES**. A written summary of each meeting will be made a part of the administrative record.

## IV. Procedural Determinations

### 1. Executive Order 12866

This rule is exempted from review by the Office of Management and Budget (OMB) under Executive Order 12866 (regulatory Planning and Review).

### 2. Executive Order 12988

The Department of the Interior has conducted the reviews required by section 3 of Executive Order 12988 (Civil Justice Reform) and has determined that this rule meets the applicable standards of subsections (a) and (b) of that section. However, these standards are not applicable to the actual language of State regulatory programs and program amendments since each such program is drafted and promulgated by a specific State, not by OSM. Under sections 503 and 505 of SMCRA (30 U.S.C. 1253 and 1255) and the Federal regulations at 30 CFR

730.11, 732.15, and 732.17(h)(10), decisions on proposed State regulatory programs and program amendments submitted by States must be based solely on a determination of whether the submittal is consistent with SMCRA and its implementing Federal regulations and whether the other requirements of 30 CFR Parts 730, 731, and 732 have been met.

### 3. National Environmental Policy Act

No environmental impact statement is required for this rule since section 702(d) of SMCRA (30 U.S.C. 1292(d)) provides that agency decisions on proposed State regulatory program provisions do not constitute major Federal actions within the meaning of section 102(2)(C) of the National Environmental Policy Act (42 U.S.C. 4332(2)(C)).

### 4. Paperwork Reduction Act

This rule does not contain information collection requirements that require approval by OMB under the Paperwork Reduction Act (44 U.S.C. 3507 *et seq.*).

### 5. Regulatory Flexibility Act

The Department of the Interior has determined that this rule will not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). The State submittal that is the subject of this rule is based upon counterpart Federal regulations for which an economic analysis was prepared and certification made that such regulations would not have a significant economic effect upon a substantial number of small entities. Accordingly, this rule will ensure that existing requirements previously promulgated by OSM will be implemented by the State. In making the determination as to whether this rule would have a significant economic impact, the Department relied upon the data and assumptions for the counterpart Federal regulations.

### 6. Unfunded Mandates

This rule will not impose a cost of \$100 million or more in any given year on any governmental entity or private sector.

#### RIN 2900-AH97

### Veterans Education: Submission of School Catalogs to State Approving Agencies

**AGENCY:** Department of Veterans Affairs.

**ACTION:** Proposed rule.

**SUMMARY:** This document proposes to amend the educational assistance and educational benefits regulations of the Department of Veterans Affairs (VA). The current regulations provide that schools must submit a catalog or bulletin to the State Approving Agency (SAA) when seeking approval for courses for training under VA-administered education programs. Public Law 102-568 removed this requirement for elementary and secondary schools. Accordingly, VA intends to amend the regulations to state that accredited schools, other than elementary and secondary schools, as part of the approval process must submit catalogs to the State agencies that approve courses for training under VA-administered education programs. The purpose of this document is to request Paperwork Reduction Act comments concerning requirements that accredited schools, other than elementary and secondary schools, submit a catalog or bulletin to SAAs.

**DATES:** Comments on this collection of information should be submitted must be received on or before March 10, 1997.

**ADDRESSES:** Mail or hand deliver written comments to: Director, Office of Regulations Management (O2D), Department of Veterans Affairs, 810 Vermont Ave., NW, Room 1154, Washington, DC 20420. Comments should indicate that they are submitted in response to "RIN 2900-AH97". All written comments will be available for public inspection in the Office of Regulations Management, Room 1158, between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday (except holidays).
