

analysis services to the REMVEC II participants.

Comment date: January 15, 1997, in accordance with Standard Paragraph E at the end of this notice.

22. Montaup Electric Company

[Docket No. ER97-856-000]

Take notice that on December 19, 1996, Montaup Electric Company (Montaup), requested waiver of § 35.14 of the Commission's Regulations in order to flow through the wholesale fuel adjustment clause as a credit \$88,052 in proceeds received by it from the Environmental Protection Agency (EPA) from the sale of Clean Air Act emissions allowances in 1994 and 1995. Montaup requests that it be allowed to flow through those proceeds by deducting that amount from current period fuel costs in determining the fuel adjustment as applied to service in the first month after this request for waiver is granted. This request is made upon the recommendation of the Office of Chief Accountant in a draft audit report.

Comment date: January 15, 1997, in accordance with Standard Paragraph E at the end of this notice.

23. Arizona Public Service Company

[Docket No. ER97-857-000]

Take notice that on December 19, 1996, Arizona Public Service Company (APS), tendered for filing a Service Agreement to provide Non-Firm Point-to-Point Transmission Service to the United States Department of Interior, Bureau of Indian Affairs, Colorado River Agency (the Agency) under APS' Open Access Transmission Tariff filed in Compliance with FERC Order No. 888.

A copy of this filing has been served on the Agency and the Arizona Corporation Commission.

Comment date: January 15, 1997, in accordance with Standard Paragraph E at the end of this notice.

Standard Paragraph

E. Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before the comment date. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the

Commission and are available for public inspection.

Lois D. Cashell,
Secretary.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-5674-3]

Access to Confidential Business Information by Booz, Allen & Hamilton

AGENCY: Environmental Protection Agency.

ACTION: Notice.

SUMMARY: EPA is authorizing Booz, Allen & Hamilton of McLean, VA and its team subcontractor PRC-EMI, of McLean, VA access to information which has been submitted to EPA under Section 104 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). Some of this information may be claimed or determined to be Confidential Business Information.

DATES: EPA will begin transferring data to Booz, Allen & Hamilton and its team subcontractor PRC-EMI five working days from the date of this notice.

ADDRESSES: Send or deliver written comments to Charles Young, Superfund Accounting Branch, Financial Management Division, Office of the Comptroller (3303F), Environmental Protection Agency, 401 M Street, S.W., Washington, DC 20460.

FOR FURTHER INFORMATION CONTACT: William Cooke, Chief, Superfund Accounting Branch (3303F), Environmental Protection Agency, 401 M Street, S.W., Washington, DC 20460. Telephone (202) 260-9268.

SUPPLEMENTARY INFORMATION: Under Contract No. 68-W4-0010 Booz, Allen & Hamilton and its team subcontractor PRC-EMI will provide support services and resources to the Environmental Protection Agency to (1) develop an integrated system to perform on-screen reconciliation of documented expenditures from the accounting systems to the electronic images that support the expenditures and (2) perform other administrative functions in support of CERCLA in the Research Triangle Park, NC which includes, but is not limited to, indexing and scanning of documents into the Superfund Cost Recovery Imaging Processing System (SCRIPS); data preparation for data entry; data entry into local PC applications; document retrieval and quality assurance review.

In providing this support, Booz, Allen & Hamilton and PRC-EMI employees will have access to Agency documents for the purpose of document processing, filing, abstracting, analyzing, inventorying, retrieving, tracking and more. The documents to which Booz, Allen & Hamilton will have access potentially include all financial documents submitted under CERCLA. Some of these documents may contain information which may be claimed or determined to be CBI.

Pursuant to EPA regulations at 40 CFR Part 2, Subpart B, EPA has determined that Booz, Allen & Hamilton and PRC-EMI requires access to Confidential Business Information to provide the support and services required under the contract. These regulations provide for five working days notice before contractors are given CBI.

Booz, Allen & Hamilton and PRC-EMI will be required by contract to protect confidential information. These documents are maintained in EPA office and file space.

Dated: December 20, 1996.

Kathryn S. Schmall,

Acting Chief Financial Officer.

Notice of Availability of FY 1997 Multimedia Environmental Justice Through Pollution Prevention Grant Funds

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of availability.

SUMMARY: EPA is soliciting grant proposals under the Environmental Justice Through Pollution Prevention (EJP2) grant program. EPA anticipates that \$4.2 million will be available in Fiscal Year 1997. The purpose of this program is to support pollution prevention approaches that address environmental justice concerns in affected communities. The grant funds will support (1) local environmental, environmental justice, community grass-roots organizations, as well as tribal governments that promote environmental justice using pollution prevention as the preferred approach, and (2) national and regional organizations who will, in partnership with local environmental, environmental justice, community grass-roots organizations, as well as tribal governments, promote environmental justice using pollution prevention as the preferred approach.
