

SUPPLEMENTARY INFORMATION: The purpose of this notice is to inform carriers that the Small Business Administration (SBA) has raised the ceiling on the amount of annual receipts a company can make and still be classified as a small business. That dollar amount rose from \$12.5 million to \$18.5 million. For the purpose of transportation service acquisition, a small business concern is one which is independently owned and operated, is not dominant in its field of operations, and together with its affiliates has annual receipts not exceeding \$18.5 million. Interested parties may refer to the SBA's regulations in 13 Code of Federal Regulations, part 121 for additional details.
