Bureau of Land Management

[NV-930-1430-00; N-57459]

Notice of Realty Action: Non-Competitive Sale of Public Lands

AGENCY: Bureau of Land Management, Interior.

ACTION: Non-Competitive Sale of Public Lands in Nye County, Nevada.

SUMMARY: The following described public land in Pahrump, Nye County, Nevada, has been examined and found suitable for classification for sale utilizing non-competitive procedures, at not less than the fair market value. Authority for the sale is Section 203 and Section 209 of P.L. 94-579, the Federal Land Policy and Management Act of 1976 (U.S.C. 1713 and 43 U.S.C. 1719).
Mount Diablo Meridian, Nevada

T. 21 S., R. 54 E.,
Section 31, E $\frac{1}{2}$ NE $\frac{1}{4}$ NW $\frac{1}{4}$ SE $\frac{1}{4}$

Containing 5 acres, more or less.

This parcel of land, situated in Pahrump, is being offered as a non-competitive FLPMA sale to Mr. Edward E. Wheeler. This land is not required for any federal purposes. The sale is consistent with current Bureau planning for this area and would be in the public interest.

In the event of a sale, conveyance of the available mineral interests will occur simultaneously with the sale of the land. The mineral interests being offered for conveyance have no known mineral value. Acceptance of a direct sale offer will constitute an application for conveyance of those mineral interests. The applicant will be required to pay a \$50.00 non-returnable filing fee for conveyance of the available mineral interests.

The patent, when issued, will contain the following reservations to the United States:

1. A right-of-way thereon for ditches and canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945).

2. Oil, gas, sodium, potassium and saleable minerals, and will be subject to:

1. An easement for roads, public utilities and flood control purposes in accordance with the transportation plan for Nye County/the City of Pahrump. Upon publication of this notice in the Federal Register, the above described lands will continue to be segregated from all other forms appropriate under the public land laws including the general mining laws, except for sales and disposal under the mineral disposal laws. The segregative effect will end upon issuance of a patent or 270 days from the date of the publication, whichever occurs first.

Publication of this notice in the Federal Register previously occurred on April 18, 1996 (61 FR 16933), July 13, 1995 (60 FR 36157) and, December 27, 1994 (59 FR 49251). The December 27, 1994, publication allowed for the required 45 day comment period. Publication of this notice will not initiate an additional comment period. The Bureau of Land Management may accept or reject any or all offers, or withdraw any land or interest in the land from sale, if, in the opinion of the authorized officer, consummation of the sale would not be fully consistent with FLPMA, or other applicable laws.

Dated: January 8, 1997.

James Wesley Abbott,
Acting District Manager, Las Vegas, NV.
