

DEPARTMENT OF EDUCATION**Office of Special Education and Rehabilitative Services; Individuals With Disabilities; Applications for New Awards for Fiscal Year 1997**

AGENCY: Office of Special Education and Rehabilitative Services, Department of Education.

ACTION: Notice inviting applications for new awards for fiscal year 1997.

SUMMARY: This notice provides closing dates and other information regarding the transmittal of applications for fiscal year 1997 competitions under five programs authorized by the Individuals with Disabilities Education Act. This notice supports the National Education Goals by improving understanding of how to enable children and youth with disabilities to reach higher levels of academic achievement.

Note: The Department of Education is not bound by any estimates in this notice.

Early Education Program for Children With Disabilities [CFDA No. 84.024]

Purpose of Program: To support activities that are designed (a) to address the special needs of children with disabilities, birth through age eight, and their families; and (b) to assist State and local entities in expanding and improving programs and services for these children and their families.

Eligible Applicants: Public agencies and private nonprofit organizations.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 85, and 86; and (b) The regulations for this program in 34 CFR part 309.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

Priorities: Under 34 CFR 75.105(c)(3), the Secretary gives an absolute preference to applications that meet one of the following priorities. The Secretary funds under these competitions only those applications that meet one of these absolute priorities:

Absolute Priority 1—Model Demonstration Projects for Young Children with Disabilities (84.024B). The priority for Model Demonstration Projects for Young Children with Disabilities in the notice of final priority for this program, published in the Federal Register on February 2, 1996 at 61 FR 4171 applies to this competition.

Applications Available: February 10, 1997.

Deadline for Transmittal of Applications: March 28, 1997.

Deadline for Intergovernmental Review: May 27, 1997.

Estimated Number of Awards: 10.

Maximum Award: The Secretary rejects and does not consider an application that proposes a budget exceeding \$140,000 for any single budget period of 12 months. However, because of budgetary considerations contingent upon congressional action, the Secretary may change the maximum amount through a notice published in the Federal Register.

Page Limits: Part III of the application, the Application Narrative, requires applicants to address the selection criteria that will be used by reviewers in evaluating individual proposals. The applicant must limit the Part III—Application Narrative to no more than 40 double-spaced 8½×11" pages (on one side only) with one-inch margins (top, bottom, and sides). This page limitation applies to all material presented in the application narrative—including, for example, any charts, tables, figures, and graphs. The application narrative page limit does not apply to: Part I—the electronically scannable form; Part II—the budget section (including the narrative budget justification); and Part IV—the assurances and certifications. Also, the one-page abstract, resumes, bibliography, or letters of support, while considered part of the application, are not subject to the page limitation. Applicants should note that reviewers are not required to review any information provided in addition to the application information listed above. All sections of text in the application narrative must be double-spaced (no more than 3 lines per vertical inch). If using a proportional computer font, use no smaller than a 12-point font, and an average character density no greater than 14 characters per inch. If using a nonproportional font or a typewriter, do not use more than 12 characters to the inch. Double-spacing and font requirements do not apply within charts, tables, figures, and graphs, but the information presented in those formats should be easily readable. The Secretary rejects and does not consider an application that does not adhere to these requirements.

Project Period: Up to 48 months. (Applicants should note that the 48-month project period is a change from previous competitions that allowed for a project period of up to 60 months. Previously, in determining whether to continue a project funding for the fourth and fifth years, the Secretary considered, among other things, the evaluation by a review team in the project's third year. The Secretary has determined that this approach is too

cumbersome, and that three years does not allow projects sufficient time to develop the model for projects under this program.)

The project period change in the priority is considered a change to a rule under 553 of the Administrative Procedure Act, which would normally require the Secretary to offer interested parties the opportunity to comment. However, because it is a procedural change the Secretary has determined, under 5 U.S.C. 553(b)(A), that rulemaking requirements do not apply.

Absolute Priority 2—Outreach Projects for Young Children with Disabilities (84.024D). The priority for Outreach Projects for Young Children with Disabilities in the notice of final priority for this program, published in the Federal Register on February 2, 1996 at 61 FR 4172, applies to this competition.

Competitive Priority

Under 34 CFR 75.105(c)(2), the Secretary gives a competitive preference to applications that are otherwise eligible for funding under this priority and that meet the following competitive priority:

Propose to provide services to one or more Empowerment Zones or Enterprise Communities that are designated within the areas served by the projects. To meet this priority an applicant must indicate that it will:

- Design a program that includes special activities focused on the unique needs of one or more Empowerment Zones or Enterprises Communities; or
- Devote a substantial portion of program resources to providing services within, or meeting the needs of residents of, these zones and communities.

As appropriate, the proposed project under the Individuals with Disabilities Education Act must contribute to the strategic plan of the Empowerment Zones or Enterprise Communities and be made an integral component of the Empowerment Zone or Enterprise Community activities.

The Secretary awards 5 points to an application that meets this competitive priority relating to Empowerment Zones and Enterprises Communities, which was published in the Federal Register on November 7, 1994 (59 FR 55534). These points are in addition to any points the application earns under the selection criteria for the program.

A listing of areas that have been selected as Empowerment Zones or Enterprises Communities is included in an appendix to a notice published in the Federal Register on December 6, 1995 (60 FR 62699).

Applications Available: February 10, 1997.

Deadline for Transmittal of Applications: March 28, 1997.

Deadline for Intergovernmental Review: May 27, 1997.

Estimated Number of Awards: 17.

Maximum Award: The Secretary rejects and does not consider an application that proposes a budget exceeding \$140,000 for any single budget period of 12 months. However, because of budgetary considerations contingent upon congressional action, the Secretary may change the maximum amount through a notice published in the Federal Register.

Page Limits: Part III of the application, the Application Narrative, requires applicants to address the selection criteria that will be used by reviewers in evaluating individual proposals. The applicant must limit the Part III—Application Narrative to no more than 40 double-spaced 8½×11" pages (on one side only) with one-inch margins (top, bottom, and sides). This page limitation applies to all material presented in the application narrative—including, for example, any charts, tables, figures, and graphs. The application narrative page limit does not apply to: Part I—the electronically scannable form; Part II—the budget section (including the narrative budget justification); and Part IV—the assurances and certifications. Also, the one-page abstract, resumes, bibliography, or letters of support, while considered part of the application, are not subject to the page limitation. Applicants should note that reviewers are not required to review any information provided in addition to the application information listed above. All sections of text in the application narrative must be double-spaced (no more than 3 lines per vertical inch). If using a proportional computer font, use no smaller than a 12-point font, and an average character density no greater than 14 characters per inch. If using a nonproportional font or a typewriter, do not use more than 12 characters to the inch. Double-spacing and font requirements do not apply within charts, tables, figures, and graphs, but the information presented in those formats should be easily readable. The Secretary rejects and does not consider an application that does not adhere to these requirements.

Priority: Under 34 CFR 75.105(c)(3), and 34 CFR 318, the Secretary gives an absolute preference to applications that meet the following priority. The Secretary funds under this competition only those applications that meet this absolute priority:

Absolute Priority: Special Projects (84.029K). However, under 34 CFR 75.105(c)(1) an application that meets one or more of these invitational priorities does not receive competitive or absolute preference over other applications:

Projects that develop, demonstrate, evaluate, and disseminate—

(a) Approaches to prepare teachers with strategies, including behavioral management techniques, for addressing the conduct of children with disabilities that impedes their learning and that of non-disabled children in the classroom;
