

environmental objections that could be raised at the draft environmental impact stage that are not raised until after completion of the final environmental impact statement may be waived or dismissed by the courts. *City of Angoon v. Hodel*, 803 F.2d 1016, 1022 (9th cir. 1986) and *Wisconsin Heritages, Inc. v. Harris*, 490 F Supp. 1334, 1338 (E.D. Wis. 1980). Because of these court rulings, it is very important that those interested in this proposed action participate by responding to the DEIS by the close of the 45 day comment period so that substantive comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the final environmental impact statement.

To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments on the draft environmental impact statement should be as specific as possible. It is also helpful if comments refer to specific pages or chapters of the draft statements. Comments may also address the adequacy of the draft environmental impact statement or the merits of the alternatives formulated or discussed in the statement. Reviewers may wish to refer to the Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points.

After the comment period ends on the DEIS, the comments will be analyzed and considered by the Forest Service in preparing the final environmental impact statement (FEIS). The FEIS is scheduled to be completed by the Fall of 1997. In the FEIS the Forest Service is required to respond to the comments received (40 CFR 1503.4). The responsible official will consider the comments, responses, environmental consequences discussed in the FEIS, and applicable laws, regulations, and policies in making a decision regarding this proposal. The responsible official will document the decision and reasons for the decision in the Record of Decision. The decision will be subject to appeal under 36 CFR part 217 and 36 CFR part 251.

Dated: January 14, 1997.

Forest Supervisor.

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Bureau of the Census.

Title: Business and Professional Classification Report.

Form Number(s): B-625(97).

Agency Approval Number: 0607-0189.

Type of Request: Revision of a currently approved collection.

Burden: 9,101 hours.

Number of Respondents: 42,000.

Average Hours Per Response: 13 minutes.

Needs and Uses: The Bureau of the Census conducts the Business and Professional Classification Report to collect sales and other information from a sample redrawn every quarter of retail, wholesale, service, and unclassified business recently assigned Federal Employer Identification numbers (EIN). We are informed of the existence of these new businesses from lists provided by the Internal Revenue Service and the Social Security Administration. From the information we collect in this survey, we determine an appropriate measure of size, company organization and establishment information, taxable or tax-exempt status, wholesale inventories, type of operation, and assign a new or more refined kind-of-business classification. We use this information to include these businesses in our retail, wholesale, and service surveys. This keeps the sampling frames for our current business surveys up-to-date with the business universe. We plan to make the necessary revisions to the B-625 form to enable us to assign kind-of-business codes based on the new North American Industry Classification Systems (NAICS) in addition to the existing Standard Industrial Classification (SIC) system.

Affected Public: Business or other for-profit organizations, Not-for-profit institutions.

Frequency: One time only per respondent.

Respondent's Obligation: Voluntary.
