River Heights Inc.; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on November 8, 1996, applicable to all workers of River Heights Inc. located in Crump, Tennessee. The notice was published in the Federal Register on November 27, 1996 (61 FR 60309).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. The new findings show that when the determination was issued, the Department inadvertently omitted workers of the Selmer, Tennessee location of River Heights Inc. which closed May 1996. The workers were engaged in employment related to the production of knit shirts. Accordingly, the Department is amending the worker certification to include workers at River Heights Inc., Selmer, Tennessee.

The amended notice applicable to TA-W-32,791 is hereby issued as follows:

All workers of River Heights Inc., Crump, Tennessee (TA-W-32,791) and Selmer, Tennessee (TA-W-32,791A) who became totally or partially separated from employment on or after September 30, 1995 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 9th day of January 1997.
