Bureau of Reclamation

Proposed Policy and Directives and Standards for Concessions Management

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of availability on the Proposed Policy and Directives and Standards for Concessions Management.

SUMMARY: The Bureau of Reclamation (Reclamation) has prepared proposed Policy and Directives and Standards for Concessions Management. Concessions are those commercial services and facilities that serve the public's recreation demands. The basic purpose of the concessions policy is to provide principles, objectives, and direction for developing concessions contracts. The concessions policy is concerned with good business practices, providing an equitable return to the Government, and protecting the interests of the public while providing facilities that are safe, sanitary, and reasonably priced. This policy affects new concessions agreements and future sales and transfers that are administered both directly by Reclamation and by its non-Federal partners. This proposed policy will not change the terms of existing concessions contracts, but will be

applied to new concessions contracts and new sales and transfers of concessions contracts. Reclamation is inviting comments from the public on the proposed Policy and Directives and Standards.

DATES: Written comments on these proposed Policy and Directives and Standards must be received by May 1, 1997.

To assist the public in better understanding the proposed Policy and Directives and Standards, Reclamation will conduct eight public meetings between February 25 and March 19, 1997, at the dates, times, and specific locations indicated under the caption **ADDRESSES**. These informational meetings will include a presentation, followed by questions and answers. Public comments will not be formally recorded at these meetings.

ADDRESSES: Written comments should be mailed to Bureau of Reclamation, Attention: Mr. Vernon Lovejoy, Program Analysis Office (D-5300), PO Box 25007, Denver, CO 80225-0007.

Requests for copies, including braille and large print, can be obtained by writing or calling the Public Involvement Group, Bureau of Reclamation, Reclamation Service Center, PO Box 25007, Denver, CO 80225-0007; telephone: (303) 236-2722, extension 322. Standard copies can also be obtained from any of the Reclamation personnel listed under the caption **FOR FURTHER INFORMATION**.

Office of Surface Mining Reclamation and Enforcement

Notice of Proposed Information Collection

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSM) is announcing that the information collection request for the title described below has been forwarded to the Office of Management and Budget (OMB) for review and comment. The information collection request describes the nature of the

information collection and the expected burden and cost.

DATES: Comments must be submitted on or before March 3, 1997, to be assured of consideration.

FOR FURTHER INFORMATION CONTACT: To request a copy of the information collection request, explanatory information and related form, contact John A. Trelease at (202) 208-2783.

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). OSM has submitted a request to OMB to renew its approval of the collection of information found at 30 CFR 783, Underground Mining Permit Applications—Minimum Requirements for Information on Environmental Resources. OSM is requesting a 3-year term of approval for this information collection activity.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection of information is listed in 30 CFR Part 783, which is 1029-0038.

As required under 5 CFR 1320.8(d), a Federal Register notice soliciting comments on these collections of information was published on October 25, 1996 (61 FR 55314). No comments were received. This notice provides the public with an additional 30 days in which to comment.

The following information is provided for the information collection: (1) Title of the information collection; (2) OMB control number; (3) summary of the information collection activity; and (4) frequency of collection, description of the respondents, estimated total annual responses, and the total annual reporting and recordkeeping burden for the collection of information. Where appropriate, OSM has revised burden estimates to reflect current reporting levels, adjustments based on reestimates of the burden or number of respondents, and programmatic changes.

Title: Underground Mining Permit Applications—Minimum Requirements for Information on Environmental Resources, 30 CFR 783.

OMB Control Number: 1029-0038.

Summary: Applicants for underground coal mining permits are required to provide adequate descriptions of the environmental
