ProLiance Energy, LLC; Notice of Issuance of Order

January 28, 1997.

ProLiance Energy, LLC (ProLiance) submitted for filing a rate schedule under which ProLiance will engage in wholesale electric power and energy transactions as a marketer. ProLiance also requested waiver of various Commission regulations. In particular, ProLiance requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by ProLiance.

On January 16, 1997, pursuant to delegated authority, the Director, Division of Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by ProLiance should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, ProLiance is authorized to issue securities and assume obligations or liabilities as a guarantor, endorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of ProLiance's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is February 18, 1997. Copies of the full text of the order are available from the Commission's Public Reference Branch, 888 First Street, N.E., Washington, D.C. 20426.

San Diego Gas & Electric Company; Enova Energy, Inc.; Notice of Filing

January 28, 1997.

Take Notice that on January 27, 1997, San Diego Gas & Electric Company ("SDG&E") and Enova Energy, Inc. ("Enova Energy") (collectively, the "Applicants") tendered for filing pursuant to Section 203 of the Federal Power Act ("FPA") 16 U.S.C. 824(b) (1994), and Part 33 of the Commission's Regulations, 18 CFR Part 33, of the Commission's Regulations, 18 CFR Part 33, an application for an order approving a proposed business combination of Enova Corporation ("Enova") and Pacific Energy ("Pacific"). SDG&E and Enova Energy are subsidiaries of Enova. Additionally, Ensorce, a subsidiary of Pacific, joins in the application if and for so long as it is deemed to be a "public utility" under the FPA.

Pursuant to a Combination Agreement, Pacific and Enova will become wholly owned subsidiaries of a new holding company which will, in turn be owned by the former shareholders of Pacific and Enova. The Applicants state that they have filed in Docket No. EL97-15-000 a petition for a declaratory order disclaiming jurisdiction over the proposed transaction. Grant of that petition, they state, would moot the application in this docket.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before March 28, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
