BILLING CODE 5000-04-M

Organizations, Functions, and Authority Delegations

AGENCY: Department of Defense, Defense Office of Hearings and Appeals.

ACTION: Notice.

SUMMARY: The General Accounting Office Act of 1996 transferred to the Director of the Office of Management and Budget (OMB) the Comptroller General's authority to waive debts arising out of the erroneous payment of pay and allowances. The OMB Director subsequently delegated the authorities listed below to the Department of Defense (DOD). The Secretary of Defense further delegated this authority to the Defense Office of Hearings and Appeals (DOHA). This notice announces DOHA's intent to issue regulations implementing this new authority in the near future and that, in

the meantime, DOHA will use the procedures and practices applicable to the waiver of debts before the effective date of the transfer of authority, December 18, 1996, which are published in title 4, Code of Federal Regulations, Chapter 1, Subchapter G. **EFFECTIVE DATE:** February 5, 1997.

ADDRESSES: Comments may be mailed to the Defense Legal Services Agency, Defense Office of Hearings and Appeals, Chairman, Claims Appeals Board, P.O. Box 3656, Arlington, VA 22303.

FOR FURTHER INFORMATION CONTACT: Michael Hipple, Chairman, Claims Appeals Board, 703-696-8524, ext. 150.

SUPPLEMENTARY INFORMATION: Pursuant to the General Accounting Office Act of 1996, some functions of the Comptroller General were transferred to the Director of OMB. See Sec. 101, Pub. L. 104-316, 110 Stat. 3826. Subsequently, in a determination order dated December 17, 1996, the Director delegated authority to approve the waiver of debts arising from the erroneous payment of pay and allowances to various components within the Executive branch. This order delegated to the Department of Defense the authority to:

- a. Waive erroneous payments of Department of Defense civilian employees described at section 103(d);
- b. Waive recovery of erroneous overpayments described at section 105(b);
- c. Waive recovery of erroneous overpayments described at section 116;

Before the effective date of the transfer, these claims were subject to the procedures prescribed by the Comptroller General at 4 CFR Chapter 1, Subchapter G (1996). Until DOHA issues its own regulations implementing its new claims authority, DOHA's policy will be to apply these procedures and the U.S. General Accounting Office's practices to claims submitted to DOHA for settlement. As an exception, the authority to issue decisions in review of settlements will be exercised by a Claims Appeals Board on behalf of the Secretary of Defense.

For each application for waiver of a debt exceeding \$1,500, or for an appeal of an Agency's decision on a waiver under that amount, the claimant should submit the application to the agency out of whose activity the claim arose, and it is the agency's responsibility to forward the claim to DOHA with its comments. Claimants may submit their applications directly to DOHA. However, claimants are advised that submitting their applications directly to DOHA may delay consideration of their applications because DOHA will not settle a claim without first notifying the agency of the

application and requesting an administrative report from the agency. Applications should be sent to: Defense Legal Services Agency, Defense Office of Hearings and Appeals, Claims Appeals Board, P.O. Box 3656, Arlington, VA 22203-1995.

Dated: January 29, 1997.

L.M. Bynum,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

Department of the Army

Draft Environmental Impact Statement (EIS) on the Disposal & Reuse of the Savanna Army Depot Activity, Savanna, IL

AGENCY: Department of the Army, DoD.

ACTION: Notice of availability.

SUMMARY: The proposed action evaluated by this Draft Environmental Impact Statement (DEIS) is the disposal of the Savanna Army Depot Activity (SVAD), Savannah, Illinois, in accordance with the Defense Base Closure and Realignment Act of 1990, Public Law 101-510, as amended. The DEIS addresses the environmental consequences of the disposal and subsequent reuse of the Depot's 13,062 acres. Alternatives examined in the DEIS include encumbered disposal of the property, unencumbered disposal of the property, and no action. Encumbered disposal refers to transfer or conveyance of property having restrictions on subsequent use as a result of any army-imposed or legal restraint. Under the no action alternative, the Army would not dispose of property but would maintain it in caretaker status for an indefinite period.

Disposal of the Depot property is the Army's primary action. Reuse of the property is a secondary action that will be taken by others. The EIS also analyzes the potential environmental effects of reuse by means of evaluating intensity-based probable reuse scenarios. Appropriate to the Depot are low, medium-low, and medium intensity reuse scenarios reflecting the range of activities that could occur after disposal of the property.

A scoping meeting was held at the SVAD on June 27, 1996. Public notices requesting input and comments from the public were issued in the regional area surrounding the SVAD.

DATES: Written public comments and suggestions received on or before March 24, 1997 will be addressed in the Final Environmental Impact Statement.

ADDRESSES: A copy of the Draft EIS may be obtained by writing to Mr. Glen Coffee at the Corps of Engineers, Mobile District (ATTN: CESAM-PD-E), 109 St. Joseph St, Mobile, AL 36628-001, or by facsimile at (334) 690-2424.

Dated: January 30, 1997.

Raymond J. Fatz,

Deputy Assistant Secretary of the Army (Environment, Safety and Occupational Health) OASA (I, L&E).
