

*First Revised Volume No. 1*

Third Revised Sheet No. 127

Original Sheet No. 127-A

Kern River states that the purpose of this filing is to comply with the Commission's Order Authorizing Blanket Construction (Order) issued on December 23, 1996 in Docket No. CP96-727-000. In the instant filing, Kern River is modifying its tariff to define the circumstances under which Kern River will offer to make contributions in aid of construction available to shippers who construct facilities needed to take delivery of gas from, or to measure gas delivered by, Kern River.

Any person desiring to be heard or to make any protest with reference to said filing should on or before February 7, 1997, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 and 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding must file a motion to intervene in accordance with the Commission's Rules. Copies of this filing are on file with the Commission and are available for public inspection.

**[Docket No. RP97-236-000]**

**Northwest Pipeline Corporation; Notice of Proposed Changes in FERC Gas Tariff**

January 30, 1997.

Take notice that on January 27, 1997, Northwest Pipeline Corporation (Northwest) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the tariff sheets listed in Appendix A to the filing, to become effective February 27, 1997, except for Original Sheet No. 273-A which has a proposed effective date of October 1, 1995.

Northwest states that this filing is submitted to make several minor revisions to Northwest's tariff, including: (1) Canceling Rate Schedule T-1, (2) incorporating a revenue crediting mechanism related to revenue credits received from Questar Pipeline Company for storage at Clay Basin, (3) updating Northwest's list of marketing affiliates, (4) removing provisions requiring a prepayment fee if firm service is requested, (5) changing from monthly to annual distribution of penalty revenue credits applicable to unauthorized overrun or underrun penalties, (6) removing obsolete tariff provisions and (7) making other general "housekeeping" changes.

Northwest states that a copy of this filing has been served upon Northwest's customers and interested state regulatory commissions.

Any person desiring to be heard or protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426,

in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**[Docket No. CP97-209-000]**

**Transwestern Pipeline Company; Notice of Request Under Blanket Authorization**

January 30, 1997.

Take notice that on January 27, 1997, Transwestern Pipeline Company (Transwestern), 1400 Smith Street, Post Office Box 1188, Houston, Texas 77251-1188 filed a request with the Commission in Docket No. CP97-209-000, pursuant to Sections 157.205, and 157.212 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to install and operate a new delivery point which would accommodate interruptible natural gas deliveries to GPM Gas Corporation (GPM) authorized in blanket certificate issued in Docket No. CP82-534-000, all as more fully set forth in the request on file with the Commission and open to public inspection.

Transwestern proposes to install and operate a new delivery point, located in Sherman County, Texas, at GPM's request which would provide compressor fuel and starting gas for use at its plant. The proposed volumes to be delivered would be 500 MMBtu on a peak day and 182,500 MMBtu on an annual basis. Transwestern estimates the cost of constructing the delivery point would be \$16,500.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be
