AGENCY: Patent and Trademark Office,
Commerce.

ACTION: Notice.

SUMMARY: The Patent and Trademark
Office (PTO) requests comments from
any interested member of the public on
interim guidelines to be used by office
personnel in their review of patent
applications which contain claims
directed to a species or subgenus of
chemical compositions for compliance
with 35 U.S.C. 103 based upon a single
prior art reference which discloses a
genus embracing the claimed species or
subgenus but does not expressly
describe the particular claimed species
or subgenus.

DATES: The interim guidelines are
effective February 11, 1997.

Written comments on the interim
guidelines will be accepted by the PTO
until April 14, 1997.

ADDRESSES: Written comments should
be addressed to the attention of Linda
Moncys Isacson, Office of the Solicitor,
P.O. Box 15667, Arlington, Virginia

In addition, comments provided in
machine-readable format will be

Solicitor, P.O. Box 15667, Arlington,

for Patents, Washington, DC. 20231, or

SUPPLEMENTARY INFORMATION: The
Commissioner of Patents and
Trademarks issued a Notice in the
Official Gazette (O.G.) on April 17, 1995
(1174 O.G. 68), withdrawing the Office's
March 22, 1994 O.G. Notice (1161 O.G.
314). Both notices were entitled "In re
Baird." Pursuant to the April 17, 1995
O.G. Notice, the following interim
examination guidelines are being
published for public comment. The
purpose of these guidelines is to assist
PTO personnel in the examination of
applications which contain claims
directed to a species or subgenus of
chemical compositions for compliance
with 35 U.S.C. 103 based upon a single
prior art reference which discloses a
genus embracing the claimed species or
subgenus but does not expressly
describe the particular claimed species
or subgenus. Thereof, these interim
guidelines will be referred to as "Genus-
Species Guidelines."

It has been determined that these
interim guidelines are not a significant
rule for purposes of Executive Order
12866. Because these guidelines govern
internal practices, they are exempt from
notice and comment rulemaking under
5 U.S.C. 553(b)(A).

Members of the public may present
written comments on these guidelines.
Written comments should include the
following information:

- Name and affiliation of the individual
responding;
- An indication of whether the
comments offered represent views of
the respondent's organization or are
the respondent's personal views; and
- If applicable, information on the
respondent's organization, including
the type of organization (e.g.,
business, trade group, university,
nonprofit organization).

The PTO is particularly interested in
comments relating to the accuracy of the
emphasized prior art teachings, and
comments identifying any additional
teachings that should be emphasized in
determining whether a prima facie case
of obviousness exists in the types of
cases covered by these interim
guidelines. The PTO is also interested in
comments relating to the effect these
guidelines may have on future
application submissions.
