Supplementary Agreement on Social Security Between the United States and Austria; Entry Into Force

The Commissioner of Social Security gives notice that a supplementary agreement entered into force on January 1, 1997, which amends the Social Security agreement between the United States (U.S.) and Austria that has been in effect since November 1, 1991. The supplementary agreement, which was signed on October 5, 1995, was concluded pursuant to section 233 of the Social Security Act.

The supplementary agreement amends the original agreement to update and clarify several of its provisions. The most important of these amendments introduces a new method of computing Austrian benefits under the agreement. The new computation method replaces a provision in the original agreement that would have resulted in reduced Austrian Social Security benefits for certain individuals who have divided their careers between the U.S. and Austria. This reduction provision was scheduled to take effect on November 1, 1996 (5 years after the effective date of the original agreement) but, as a result of the supplementary agreement, it will not be implemented.

Individuals who wish to obtain copies of the supplementary agreement or want general information about its provisions may write to the Social Security Administration, Office of International Policy, Post Office Box 17741, Baltimore, Maryland 21235. Individuals who wish to obtain information about how the new computation method will affect their Austrian benefits should write to the Main Association of Austrian Social Insurance Agencies (Hauptverband der Oesterreichischen Sozialversicherungstraeger), Kundmannngasse 21, 1030 Vienna, AUSTRIA.

Dated: February 3, 1997.

Shirley S. Chater,

Commissioner of Social Security.
